Message from the Editor-in-Chief

Macromol—A Journal of Macromolecular Research is a new interdisciplinary, open access peer-reviewed scientific journal on macromolecular science, published quarterly online by MDPI. It publishes full papers and review articles in all areas of macromolecular science, from chemistry to physical chemistry, physics, and materials science. I believe that this journal will become a leading forum for studies related to macromolecular chemistry. Both fundamental theory and experimental research and applications are welcomed. Enjoy publishing with us!

Editor-in-Chief

Prof. Dr. Ana María Díez-Pascual

Aims

Macromol (ISSN 2673-6209) is an international, peer-reviewed, open access journal. Our aim is to encourage scientists to publish their theoretical and experimental results in as much detail as possible. Full details on experiments, materials, and methods must be provided for each research article so that the results can be reproduced. Therefore, there is no restriction on the maximum length of papers or the number of electronic supplementary files.

Scope

Main research areas include (but are not limited to) the following:

- Polymers
- Carbohydrates
- Lipids
- Proteins
- Nucleic acids
- Macrocycles
- Synthetic fibers
- Polymer Composites and Nanocomposites
- Biomacromolecules and Biopolymers
- Macromolecular Modelling
- Macromolecular Analysis and Characterization
- Macromolecular Engineering and Applications

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Thorough Peer-Review

Discounts on Article Processing Charges (APC)

If you belong to an institute that participates with the MDPI Institutional Open Access Program

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

Rapid Publication

A first decision is provided to authors approximately 34.7 days after submission; acceptance to publication is undertaken in 6.1 days (median values for papers published in this journal in the second half of 2023)
