

The data used in the preparation of this article were obtained from the AP-HP Covid Clinical Data Warehouse (CDW). As such, the members of the AP-HP Covid CDW initiative (ACCI) contributed to the design and implementation of the database but did not participate in the analysis or writing of this report. A complete listing of ACCI members can be found at: <https://eds.aphp.fr/covid-19> and below.

Data used regarding cancer characteristics were obtained from the AP-HP CDW and were previously supplied by AP-HP oncologists. As such, the members of the Groupe Cancer AP-HP contributed to the implementation of the database but did not participate in the analysis or writing of this report. A complete listing of Groupe Cancer AP-HP members can be found in List S2.
