Supplemental Information:

Supplemental Figure S1. INI-2002 in combination with CoaB-CRM antigen promotes cell mediated immunity to CRM.

Supplemental Figure S1. INI-2002 in combination with CoaB-CRM antigen promotes cell mediated immunity to CRM. 5 days post-secondary vaccination mice were euthanized and spleens were harvested, disaggregated, and restimulated with 5 μg/mL of CRM-197. The following cytokines: IFNγ (a), TNFα (b), IL-10 (c), IL-2(d) IL-5 (e). IL-17 (f) were measured by MSD cytokine array.
