Payment Commitment Letter

Dear Authors,

Thank you for your continued support and trust in MDPI. Before you complete your payment, in order to ensure that the publication of your manuscript is completed on time, you can choose to sign the below payment commitment letter. The letter certifies your commitment to pay the article processing charge (APC) to MDPI. If you have already paid the APC, you do not need to sign this letter.

Manuscript ID: land-2968359

Article Title: Decoupling analysis of resource curse, environmental regulation and resource industry transformation in post-development area: Evidence from Inner Mongolia

Payer Name: Hongyan Zhang

Identification Number (Please note, this is kept confidential and is only for identification purposes※):

Mobile Phone Number: 15661012323

Delivery Address: No. 185, North Second Ring Road, Huimin District, Hohhot, Inner Mongolia, 010070, PR China

Payer's Institution: Inner Mongolia University of Finance and Economics

The article processing charge (APC) for your article: (amount: 2600 CHF) has not yet been paid. However, the payment will be made in full before the following due date: May 10, 2024. In the case of force majeure (where your payment will become overdue) please email billing-cn@mdpi.com to apply for a possible one-time extension. If the payment is not received by the agreed date, it will be considered a breach of contract, and MDPI reserves the right to pursue legal action. Your right to advanced publication by signing a Payment Commitment Letter for other submissions will be revoked until you have paid the amount owed. In the event of legal action, you will bear all expenses including but not limited to litigation fees, attorney fees, preservation fees, etc.

Author Information Commitment letter

Dear editors,

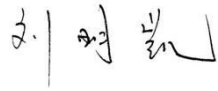

Thank you very much for your attention to our manuscript. Professor Liu Changxin, corresponding author of the original manuscript, cannot continue to be the corresponding author of this manuscript due to force majeure. After careful discussion, we have decided to add Professor Li Baojia from Institute of Geographic and Natural Resources Research, Chinese Academy of Sciences as the corresponding author of this manuscript.

We promise that this decision is endorsed by all authors and that all authors' signatures are attached at the end of the document.

Kind regards,

All authors
