

Supplementary Figure S2. Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

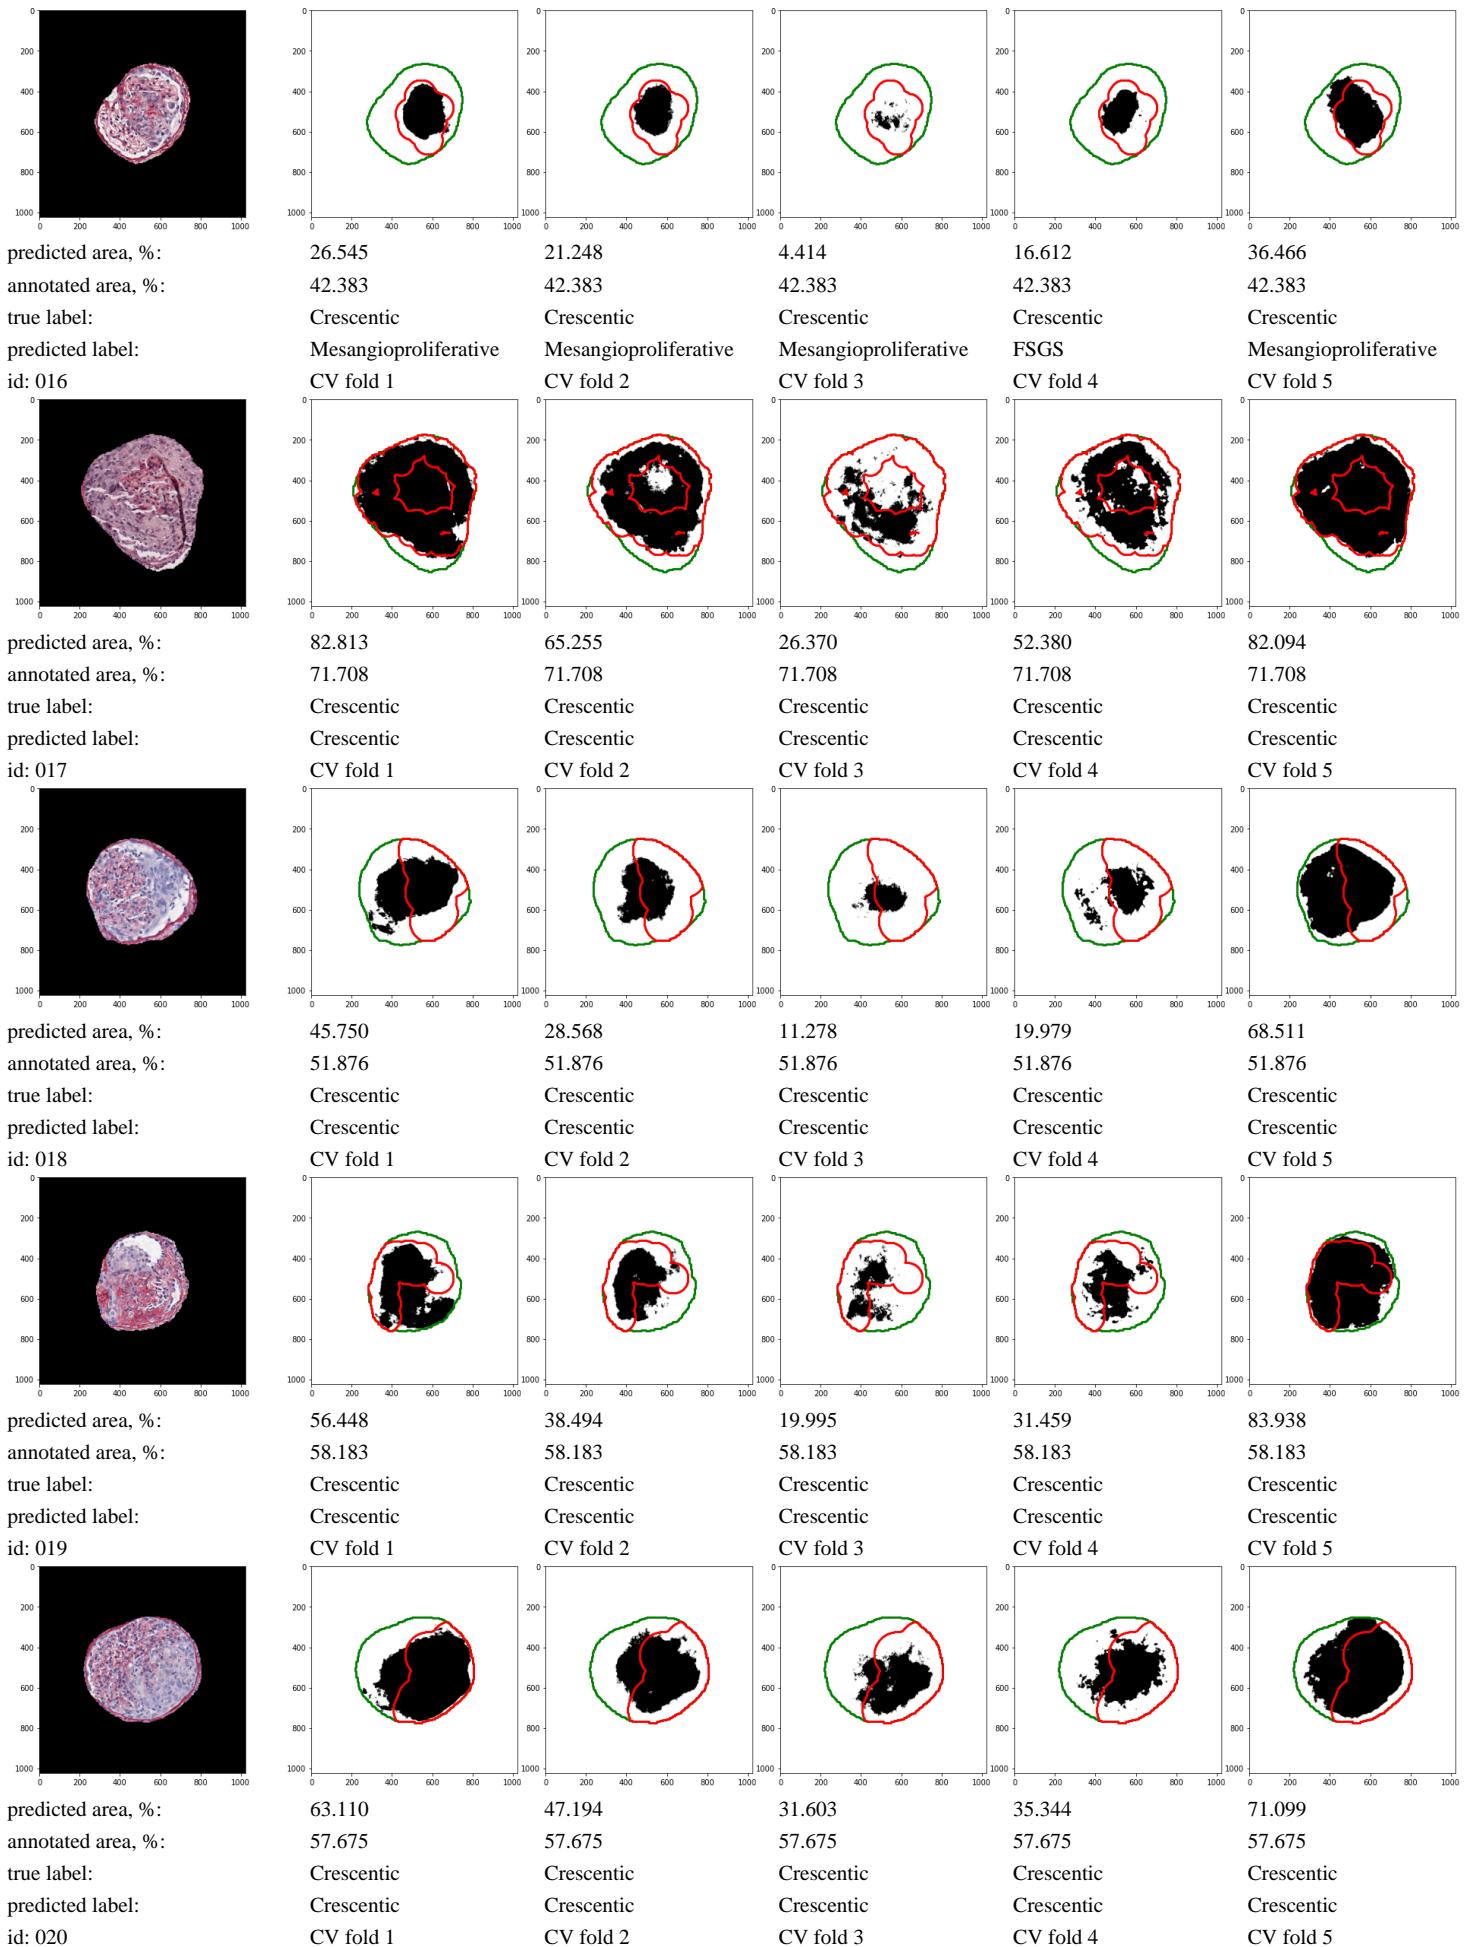

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

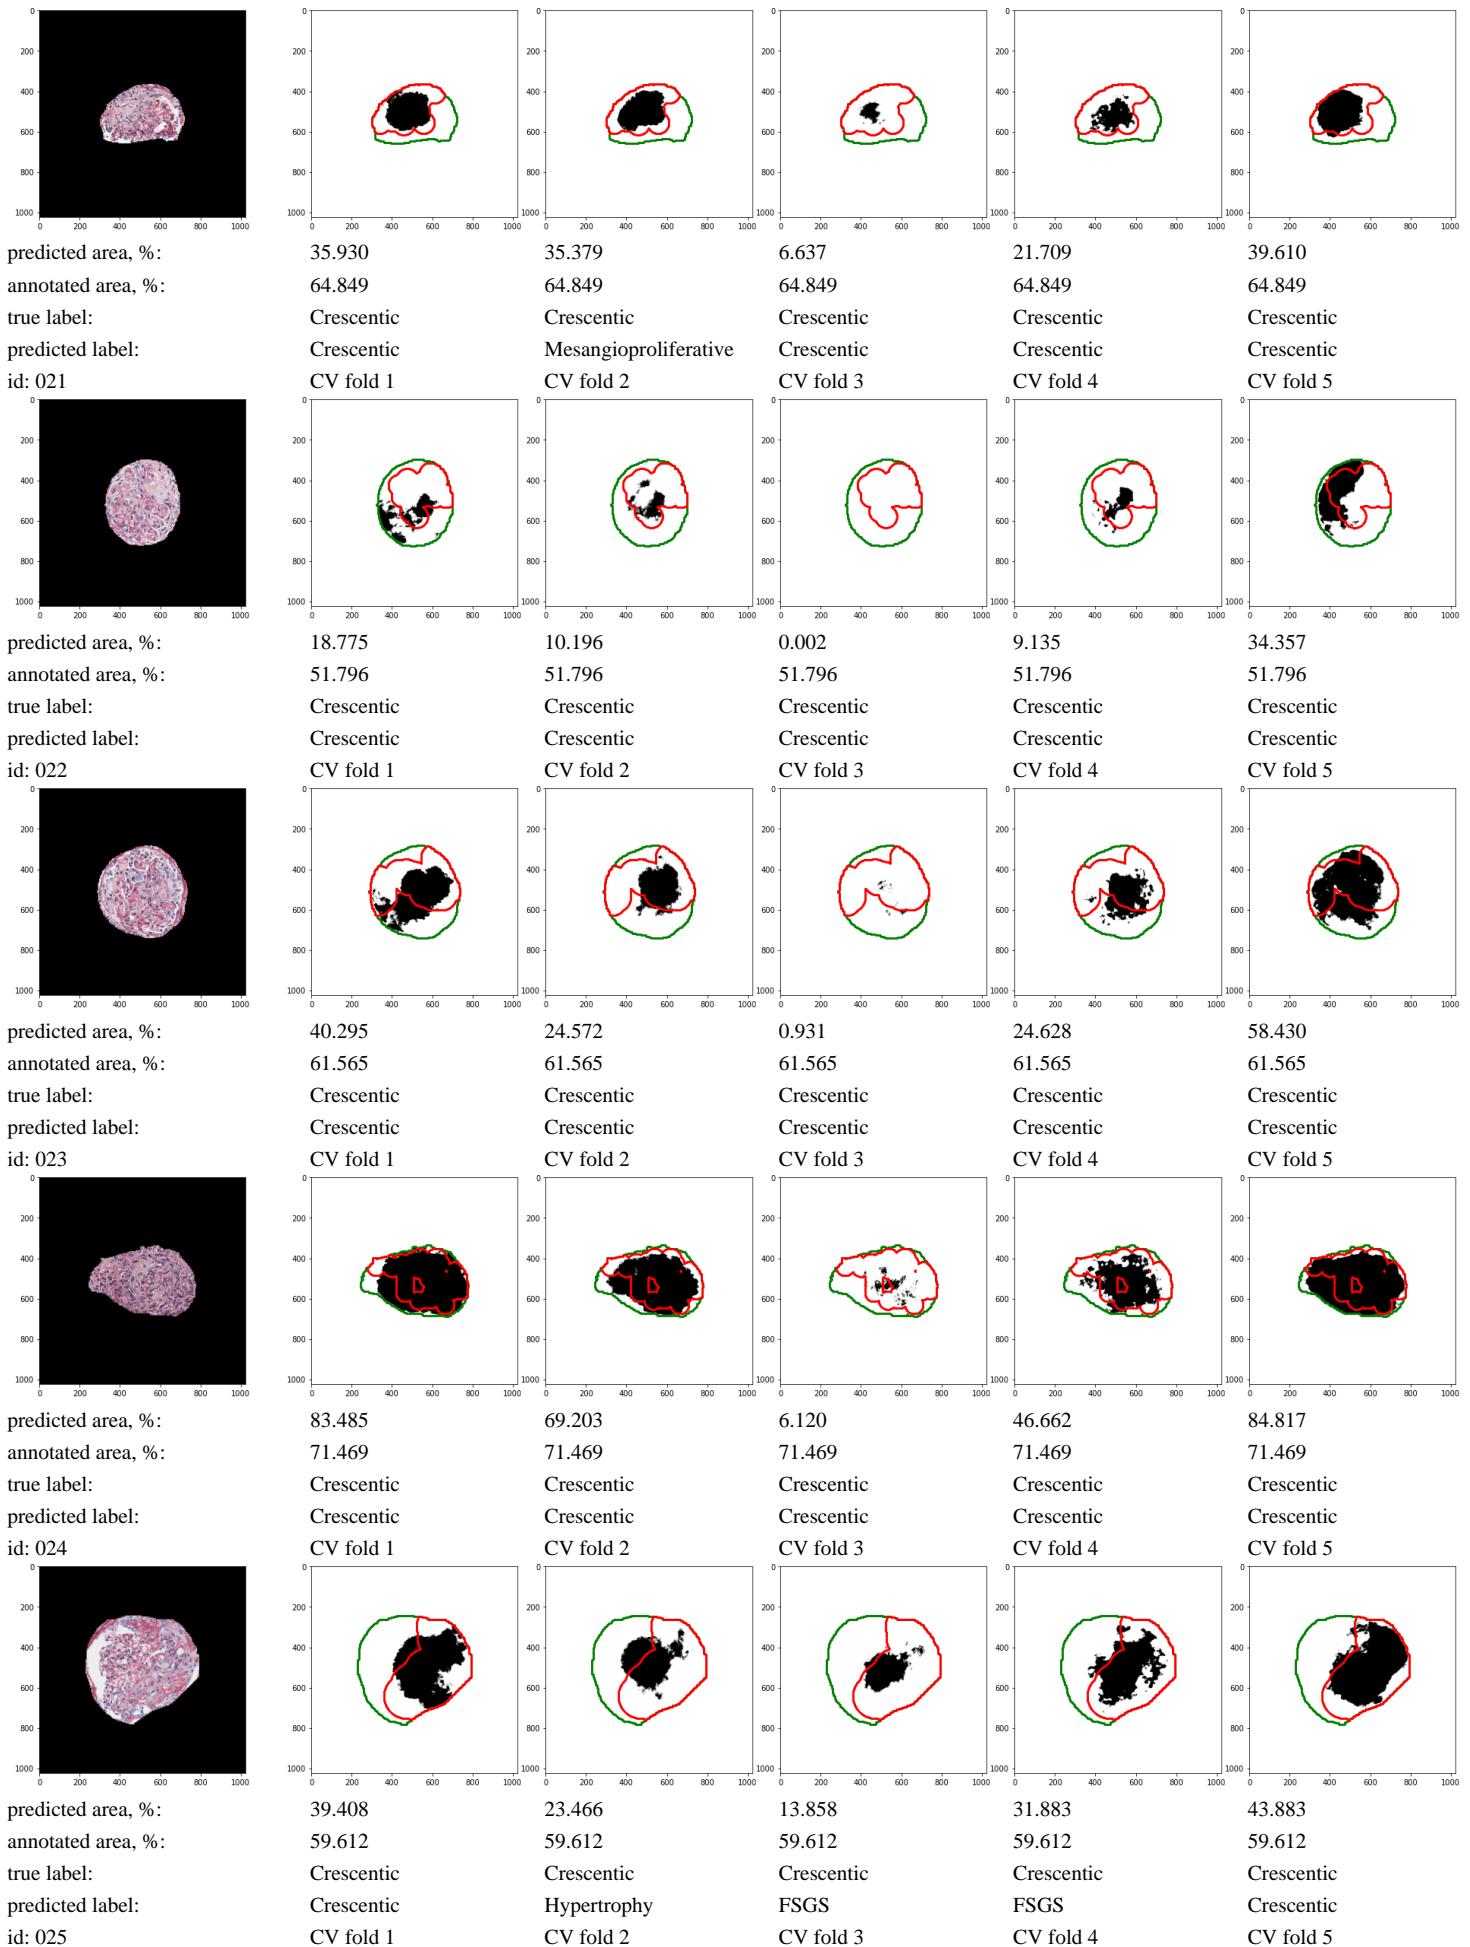

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

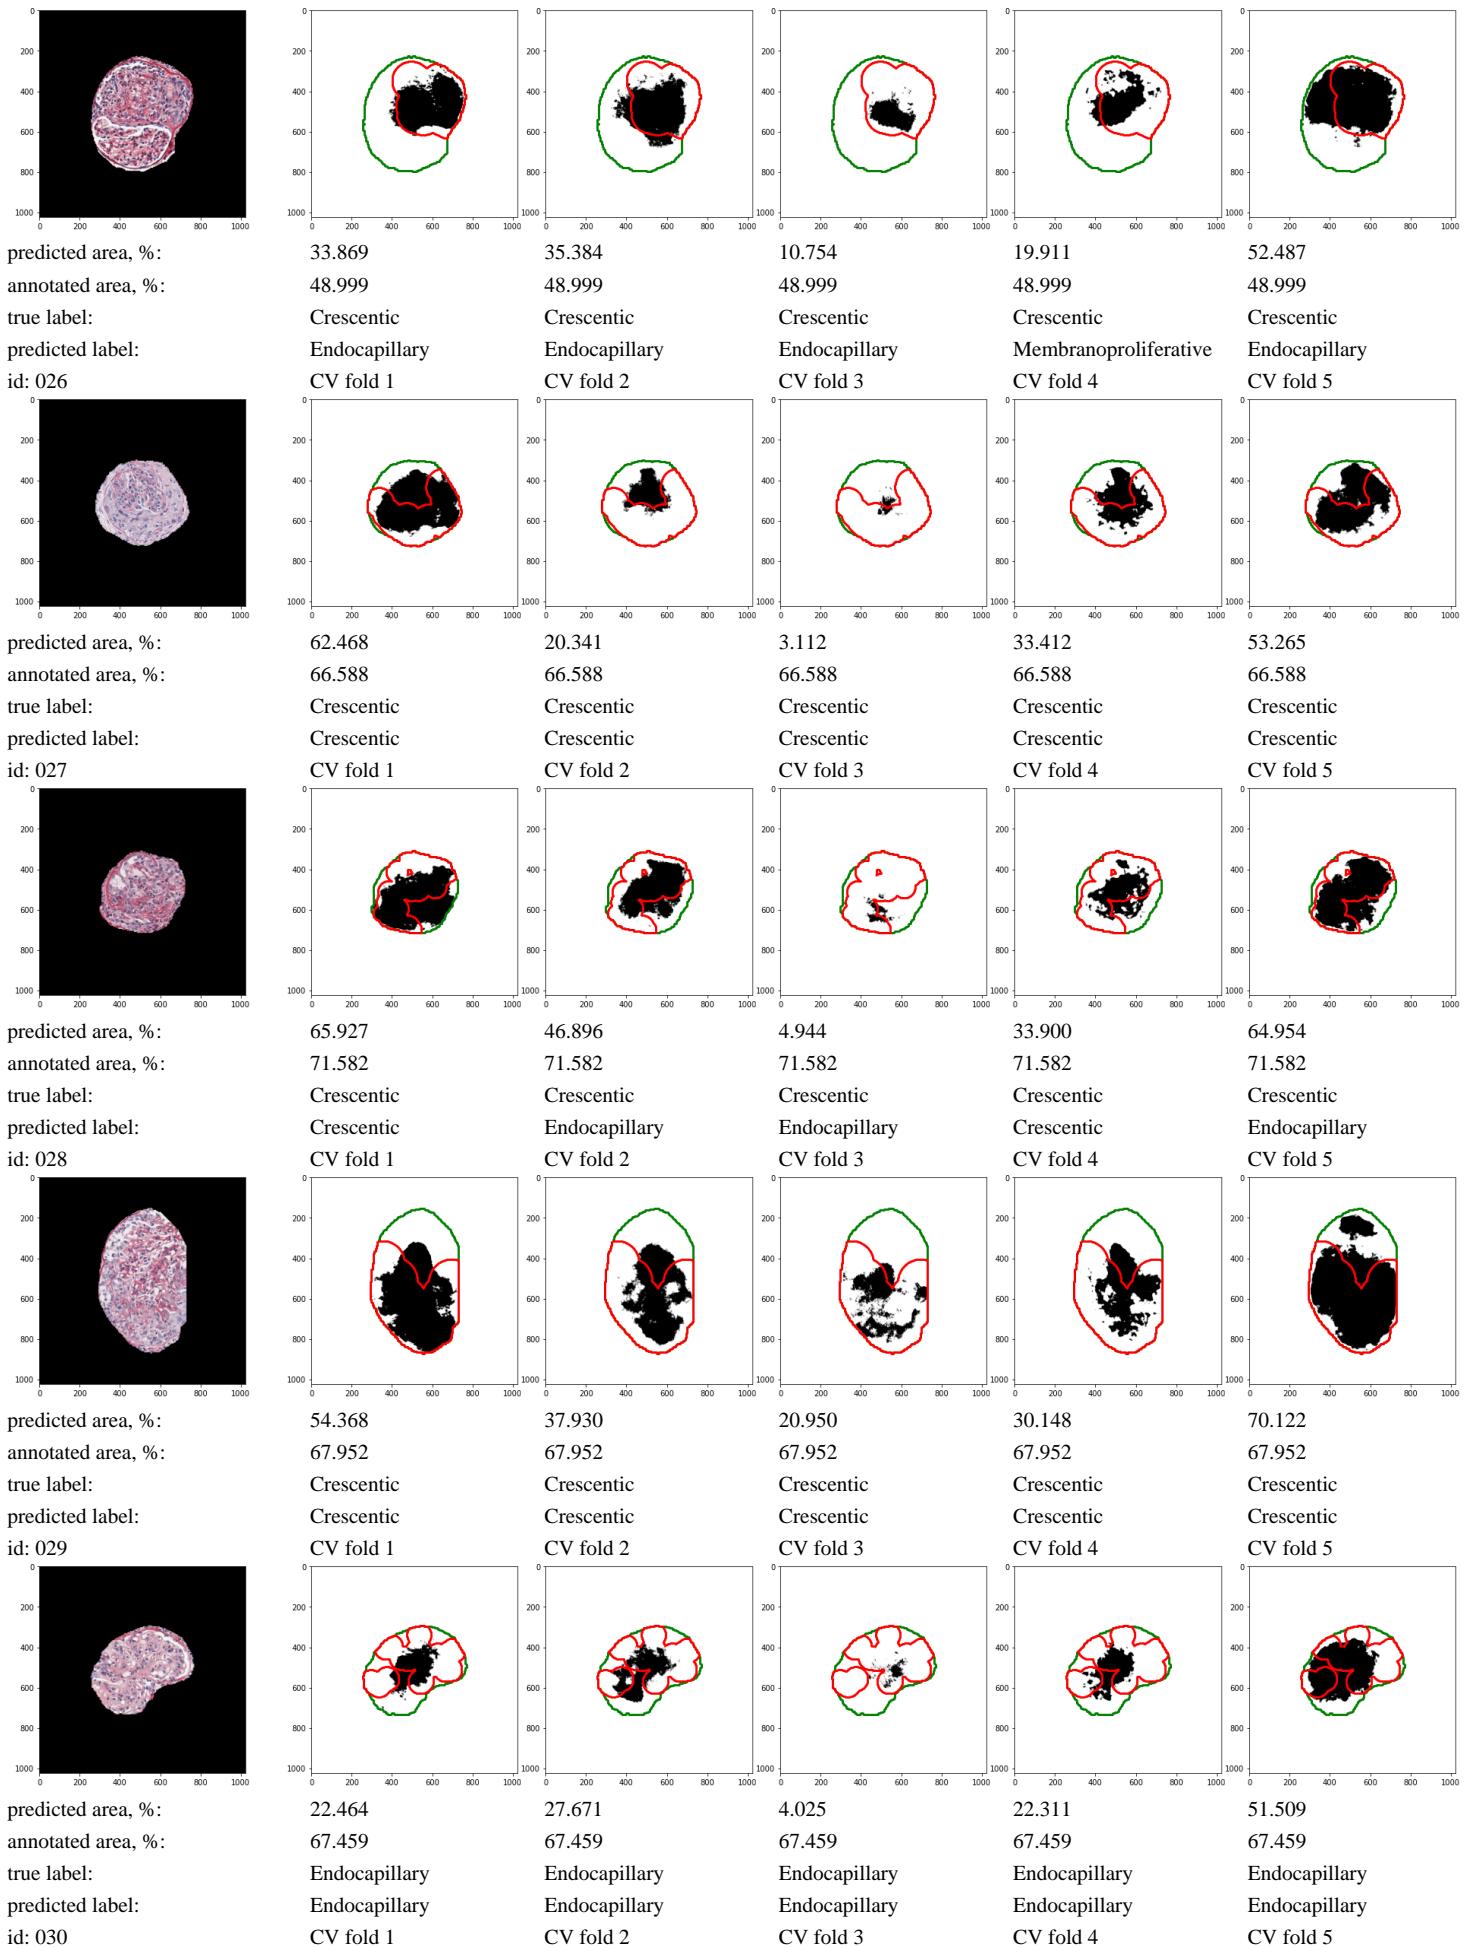

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

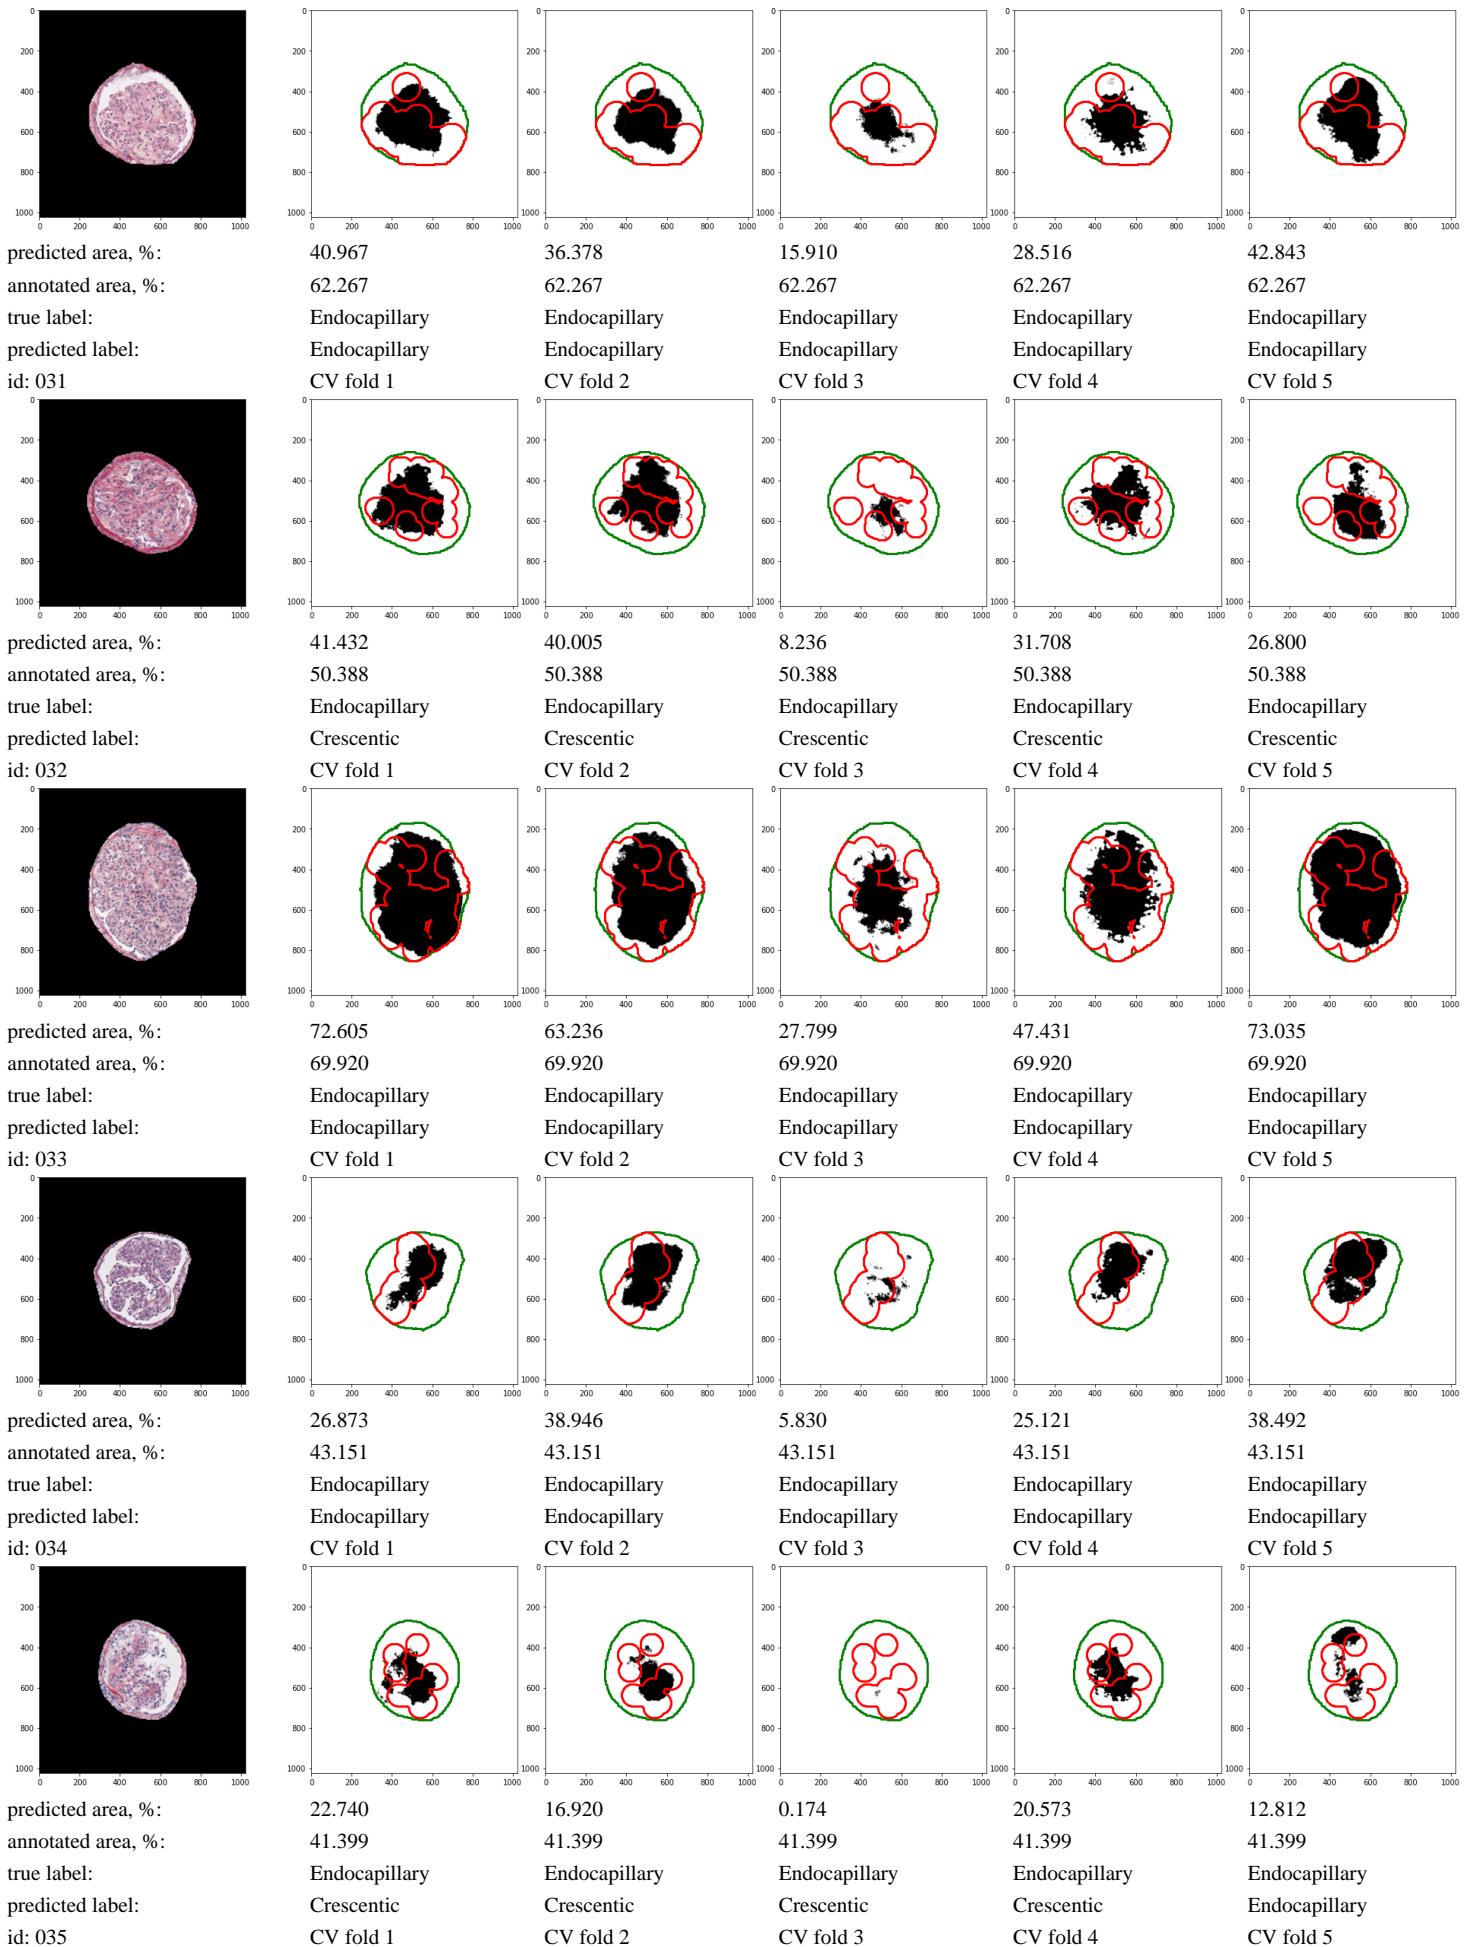

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

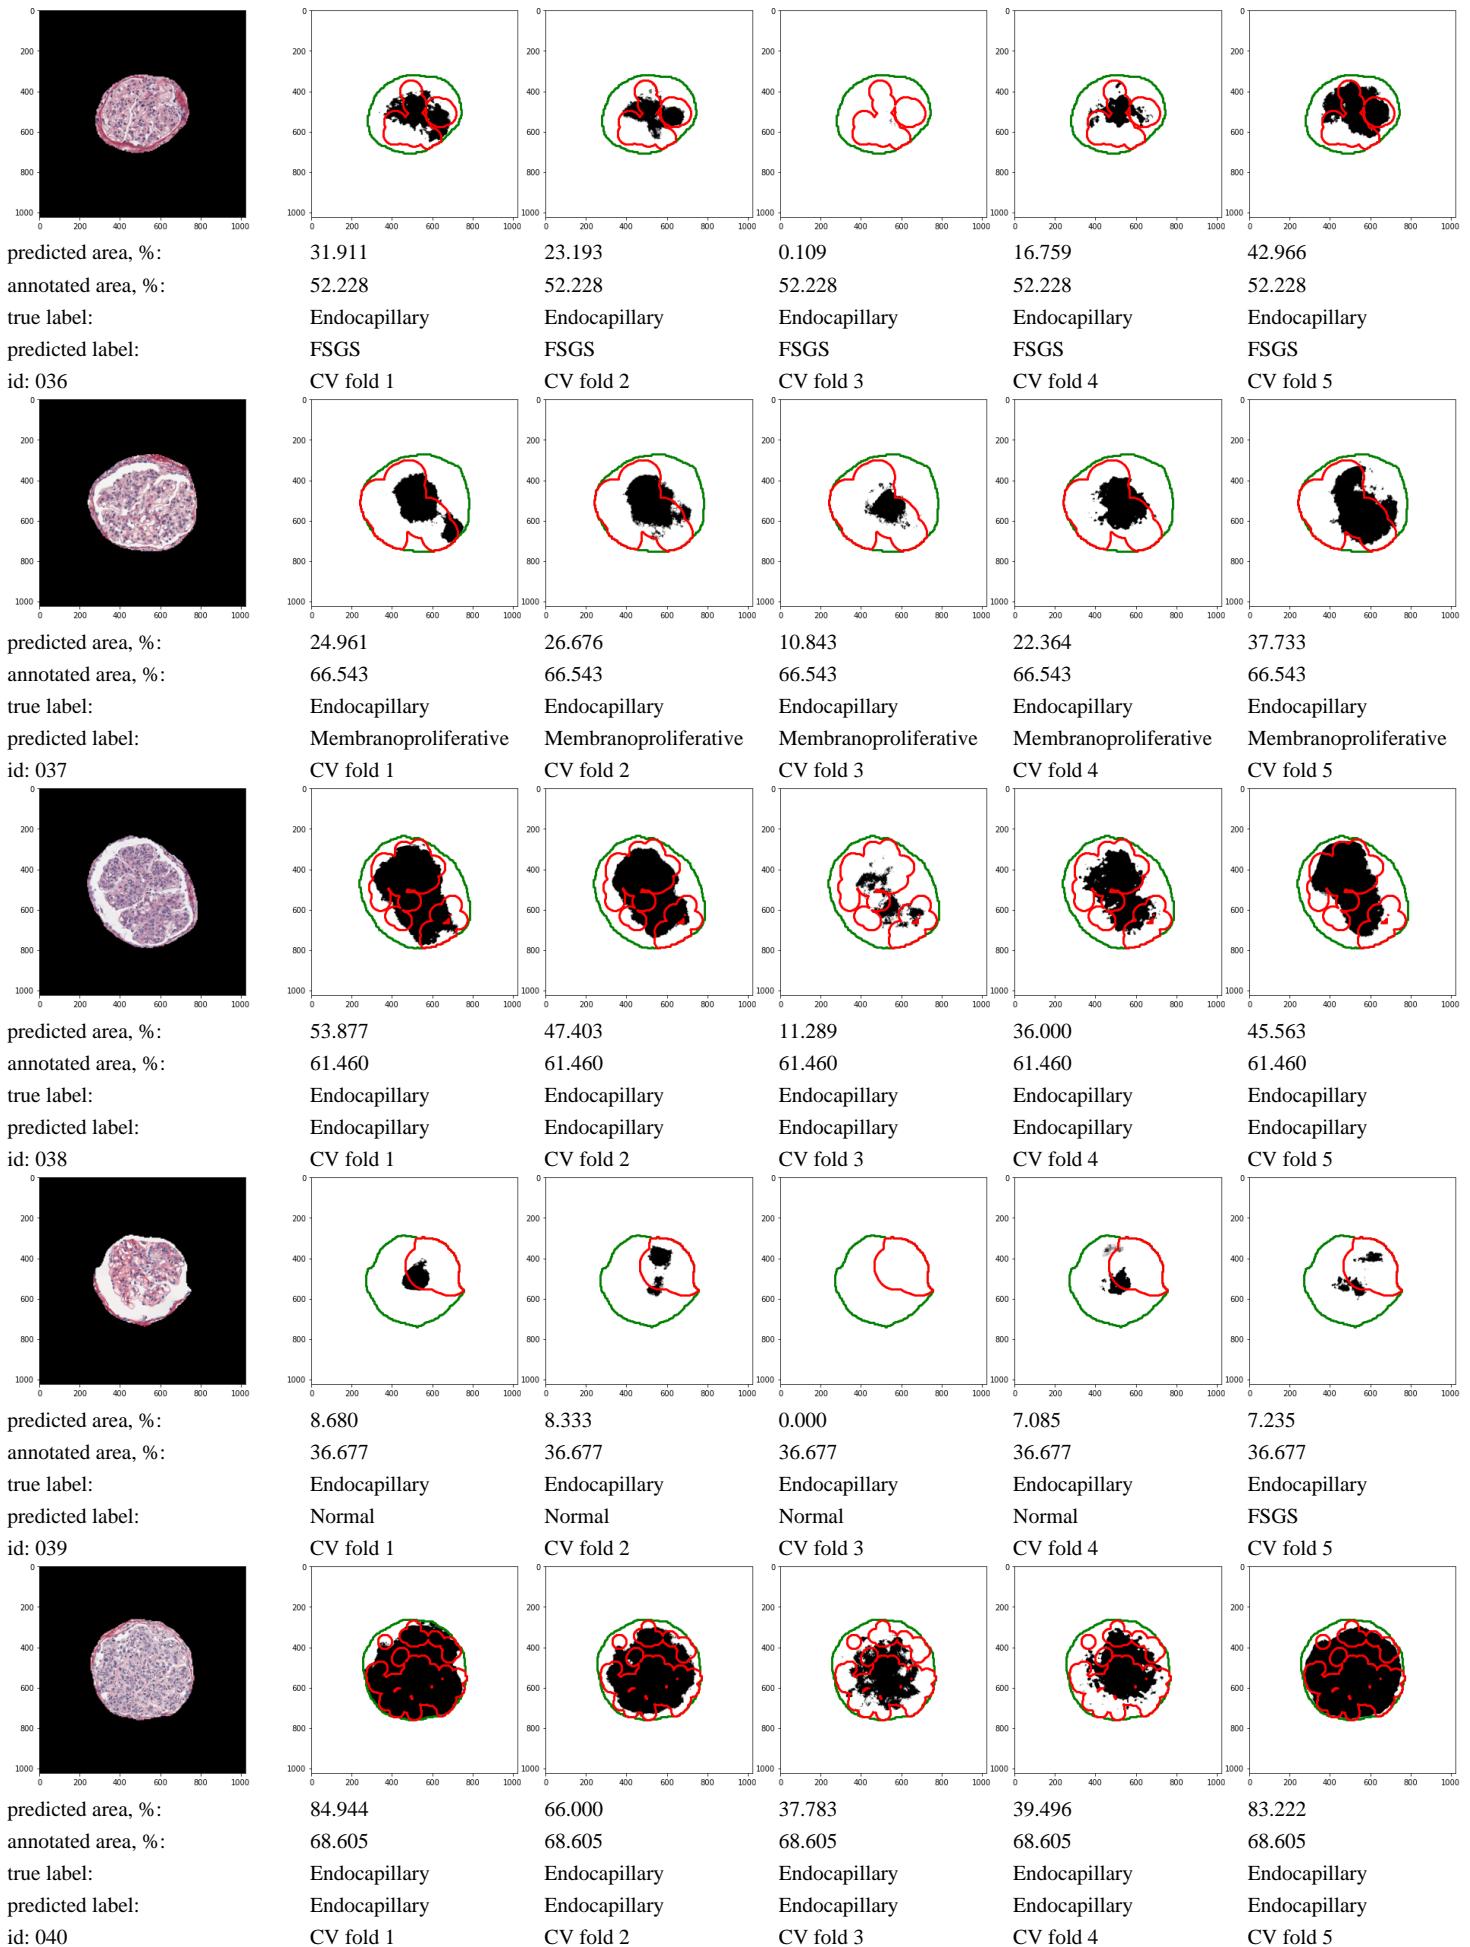

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

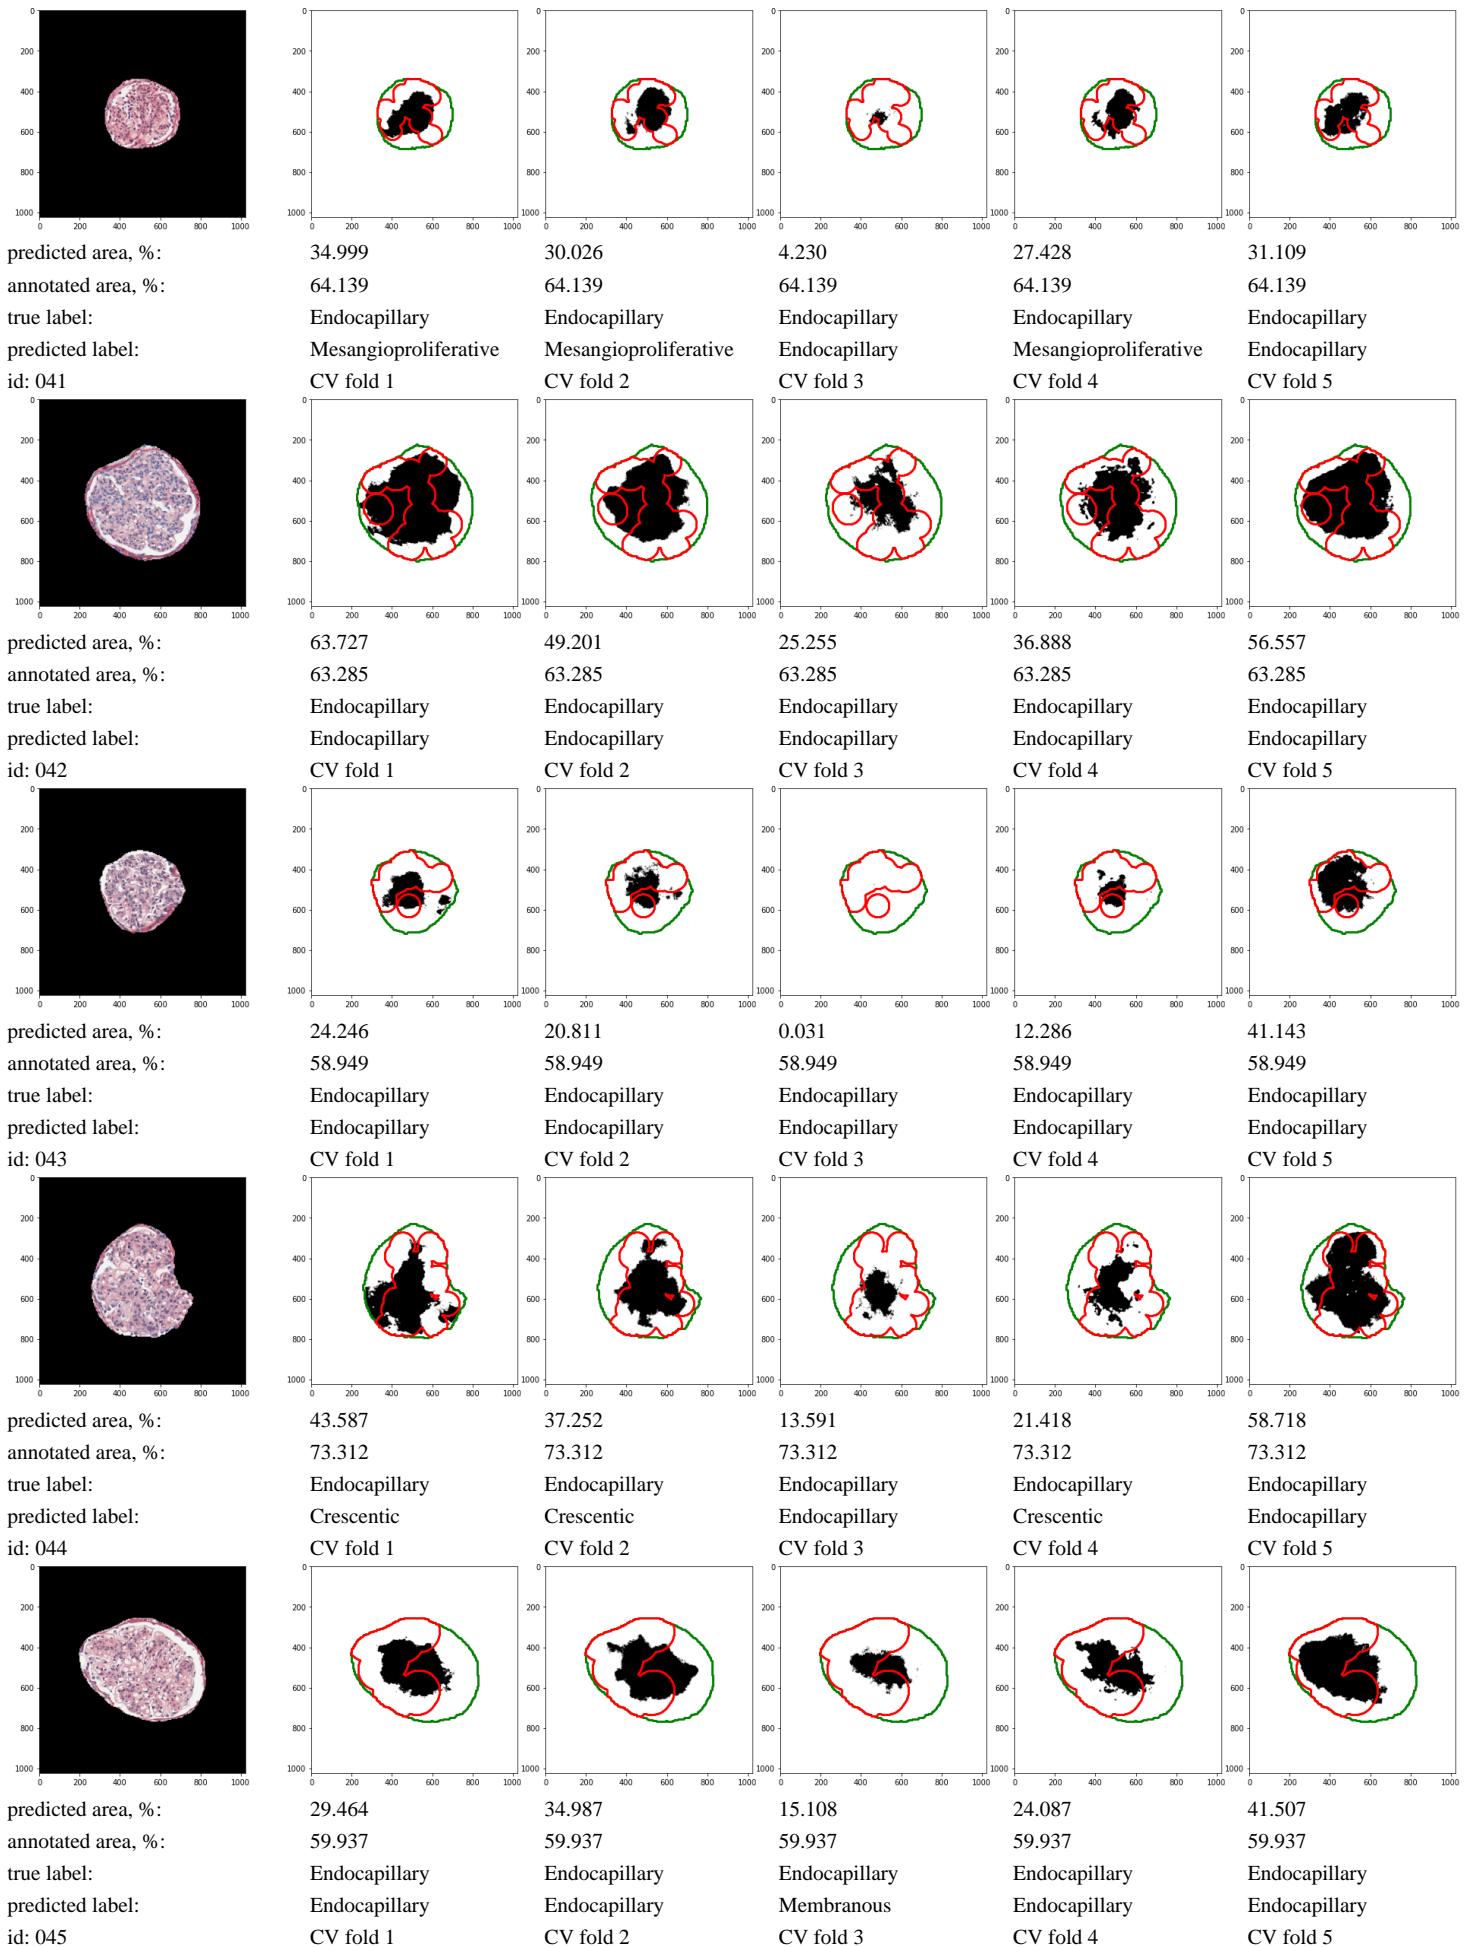

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

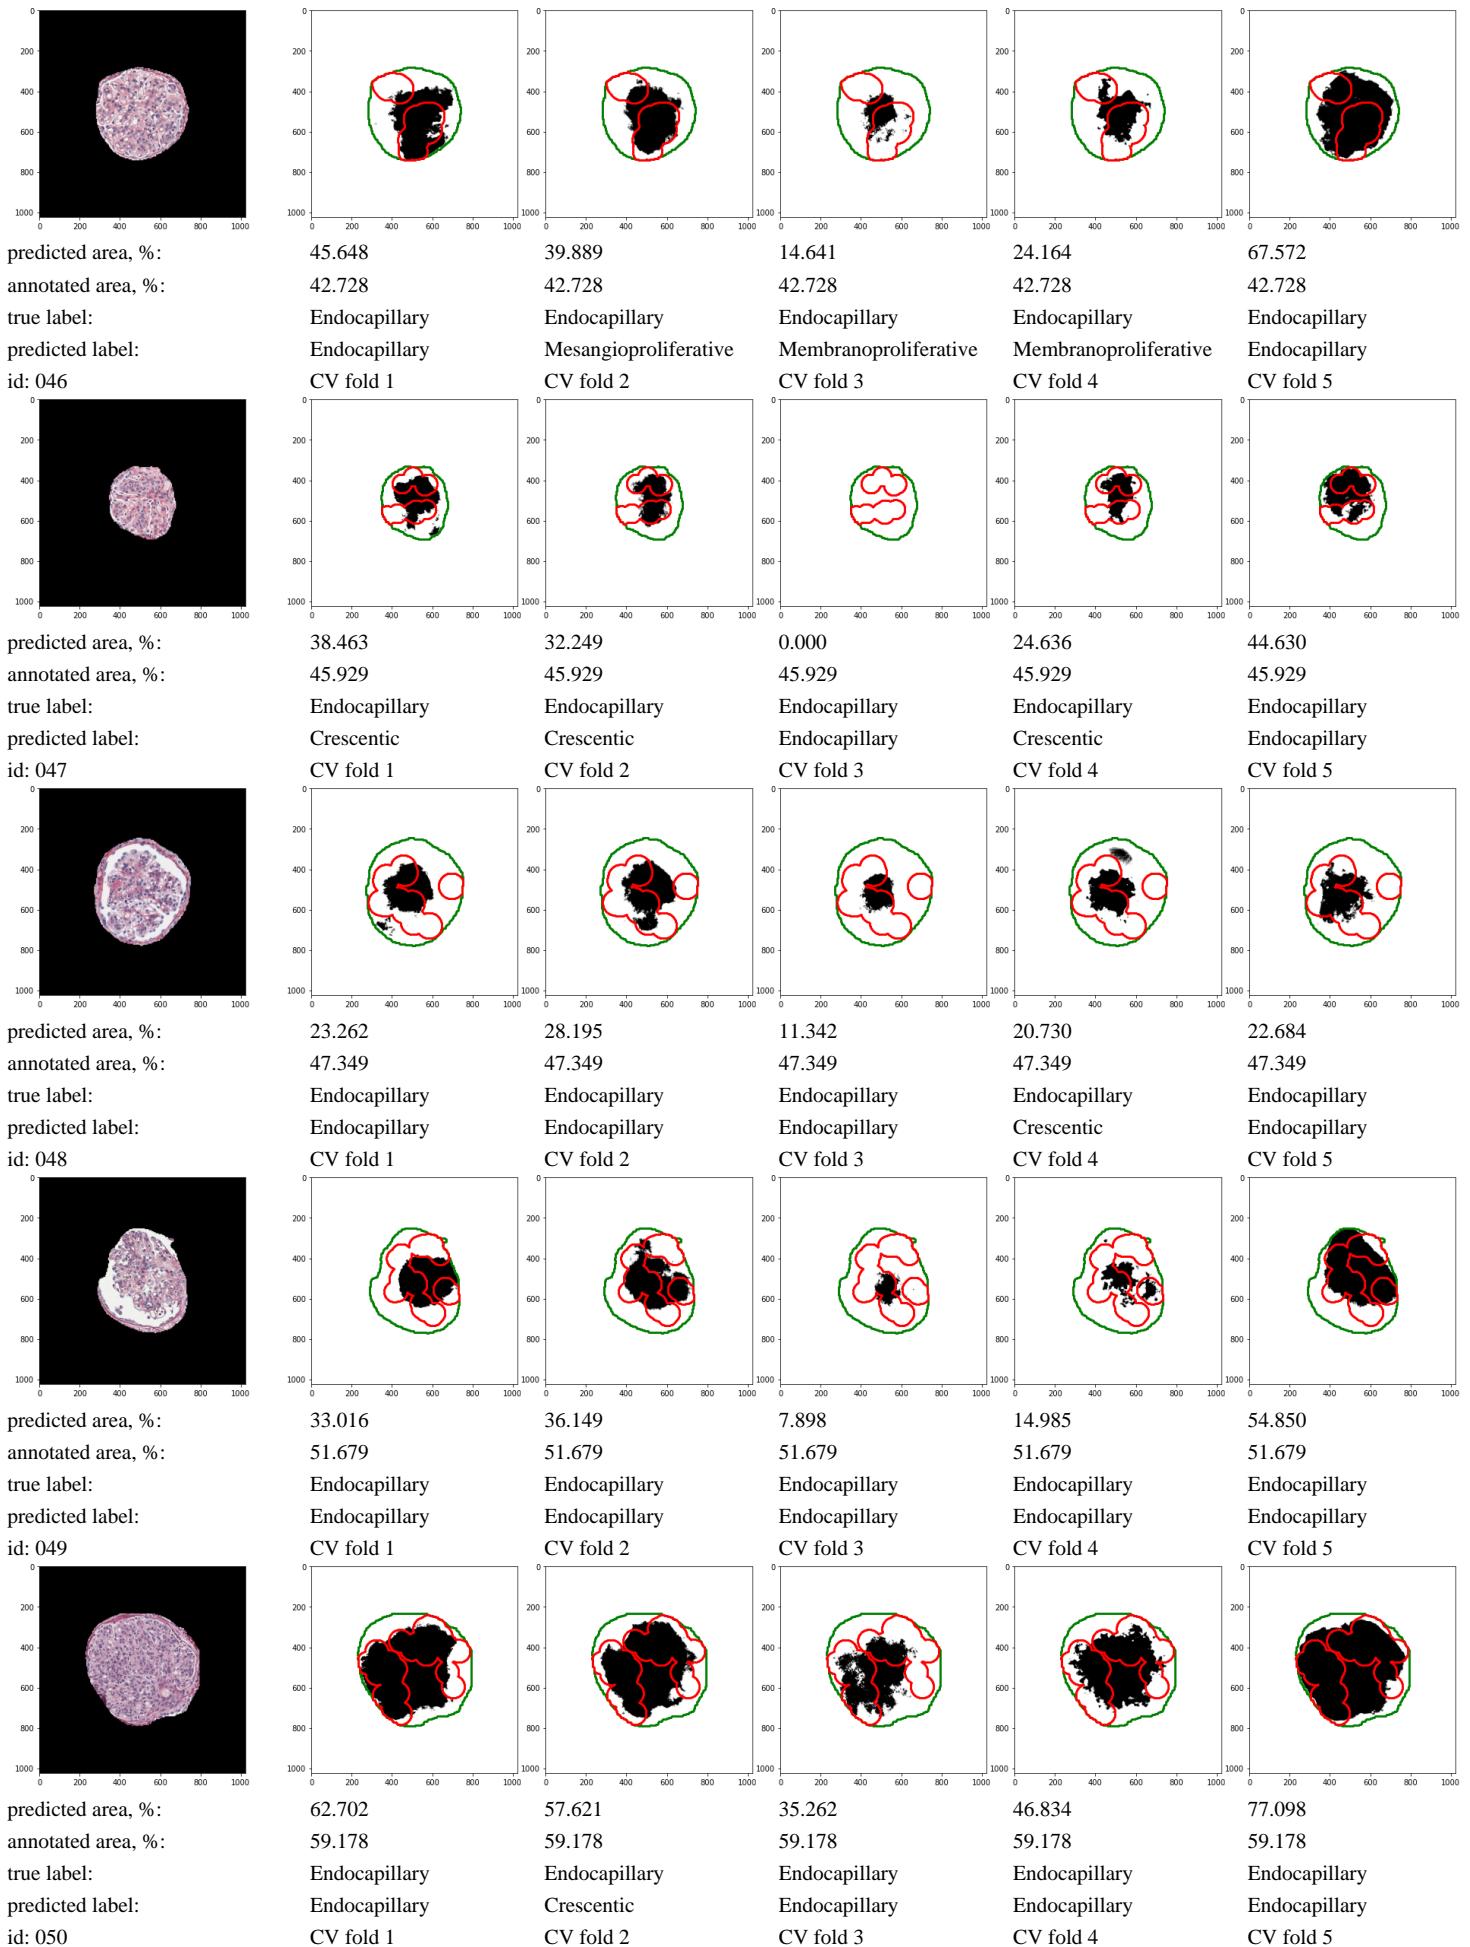

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

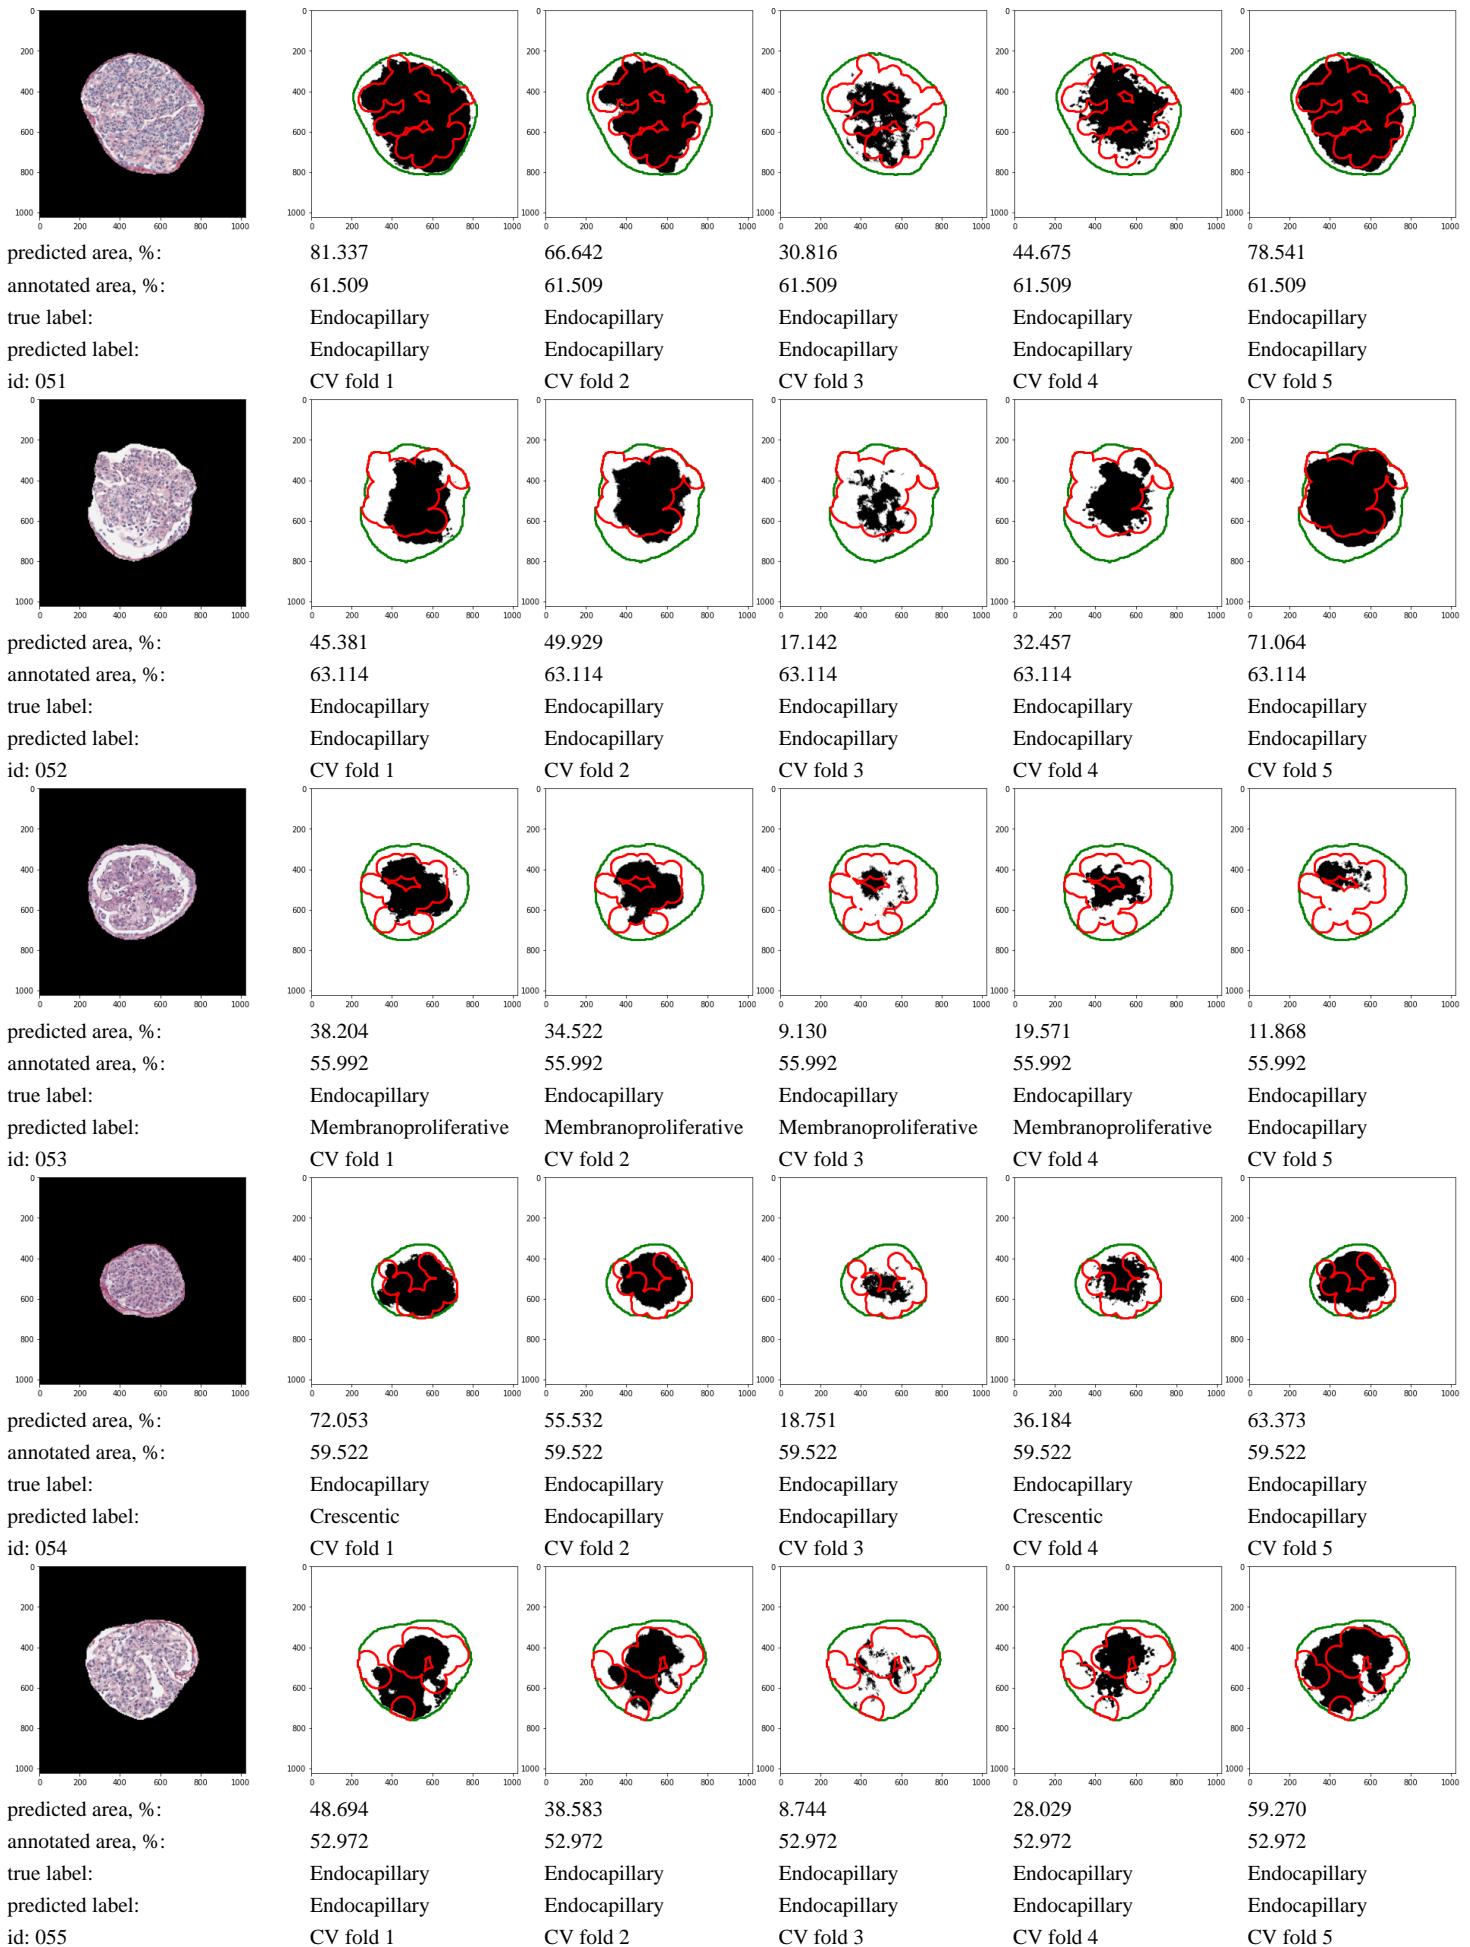

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

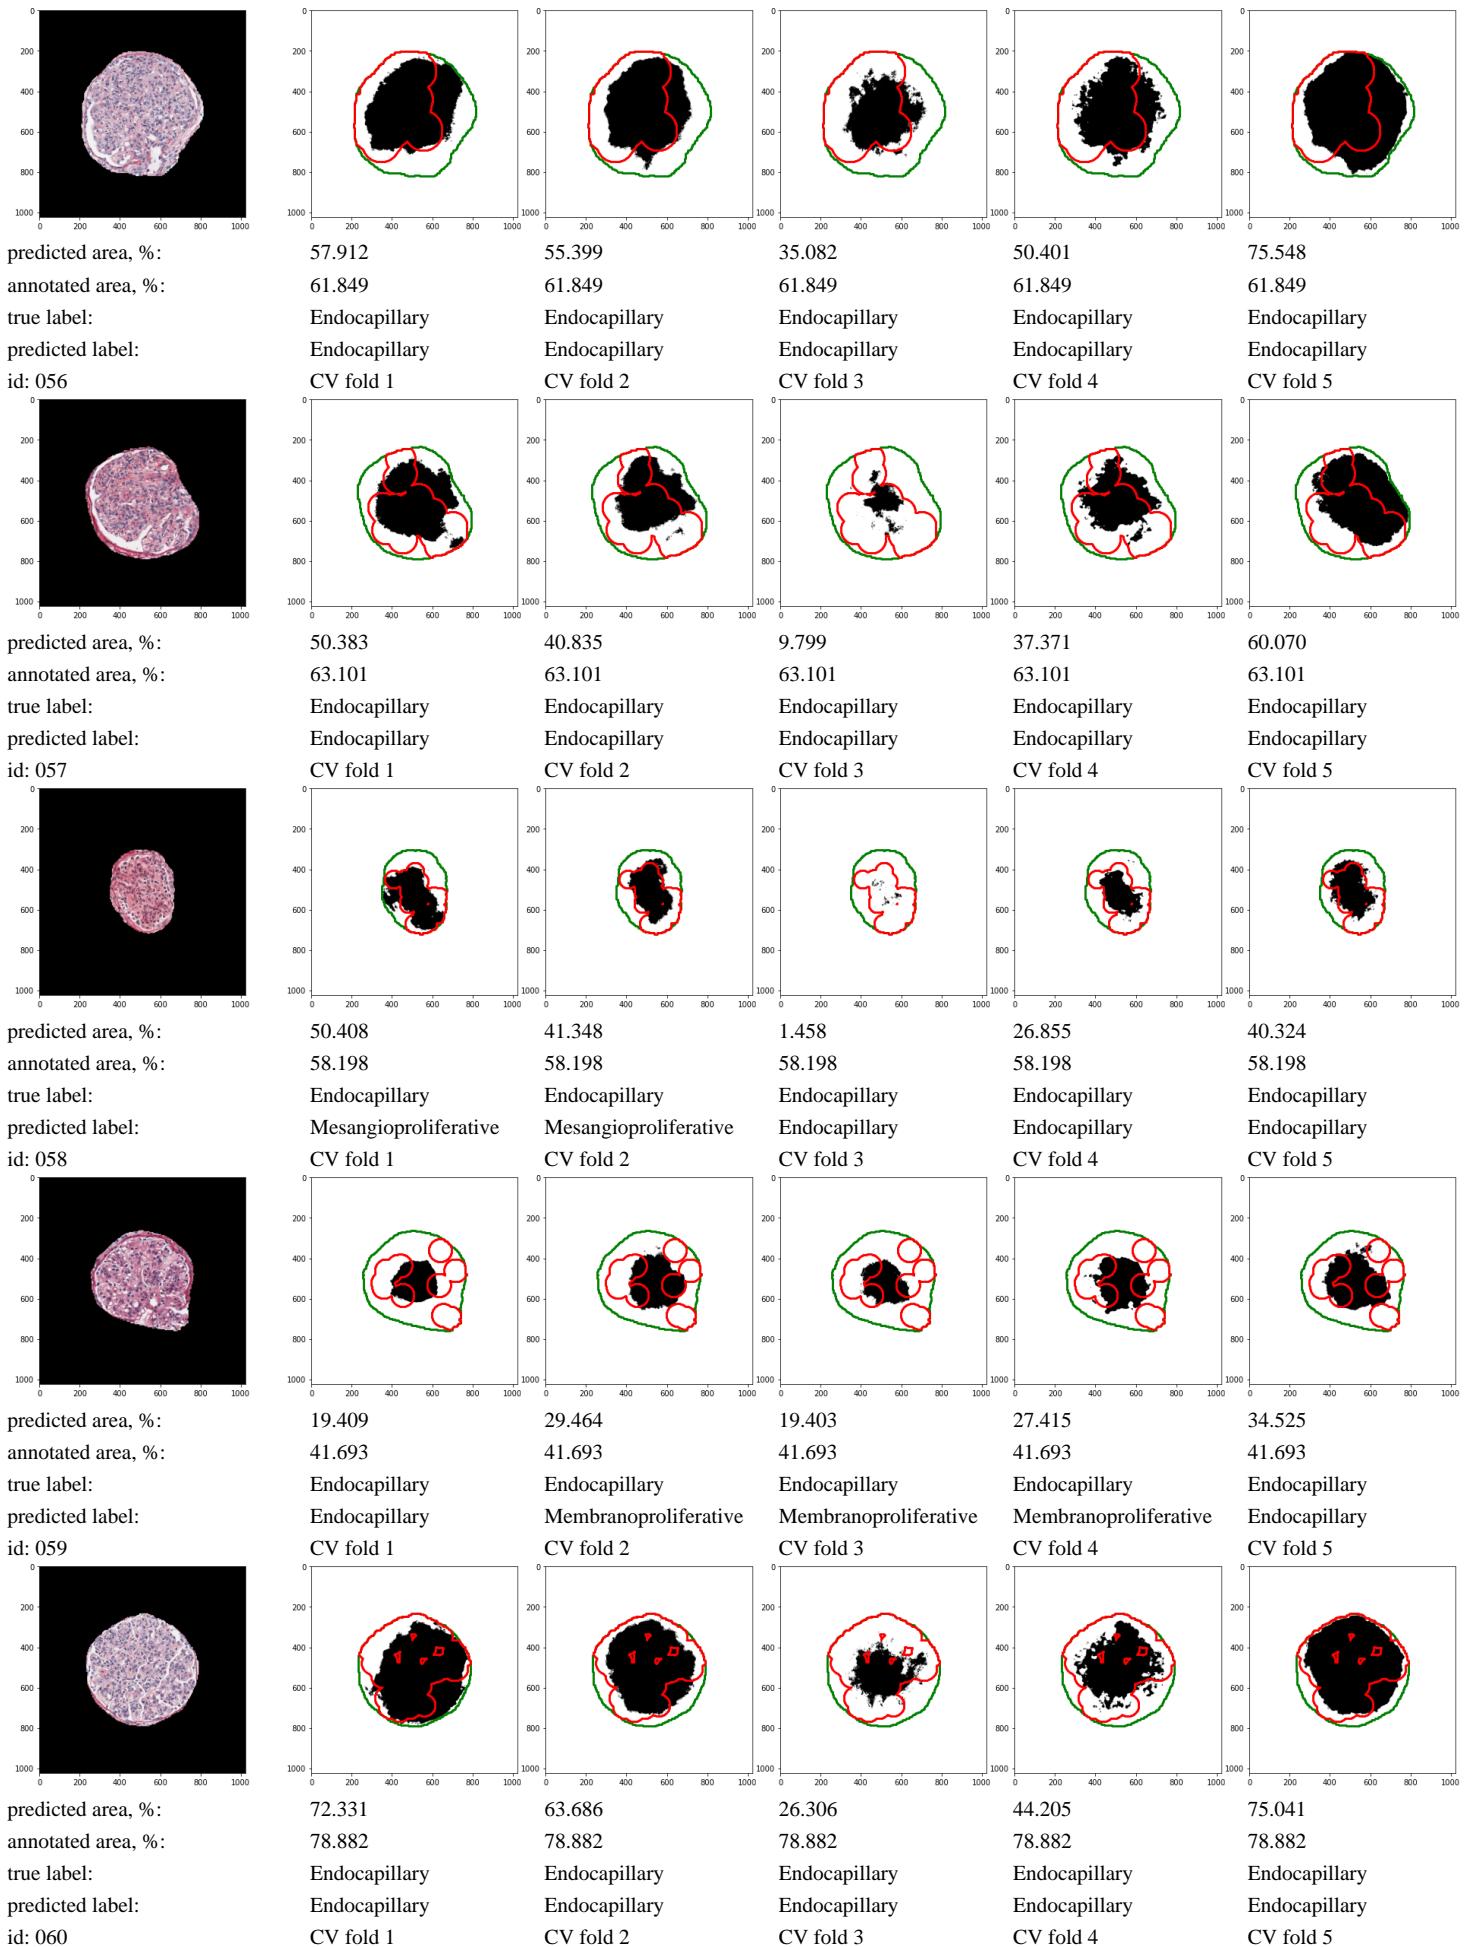

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

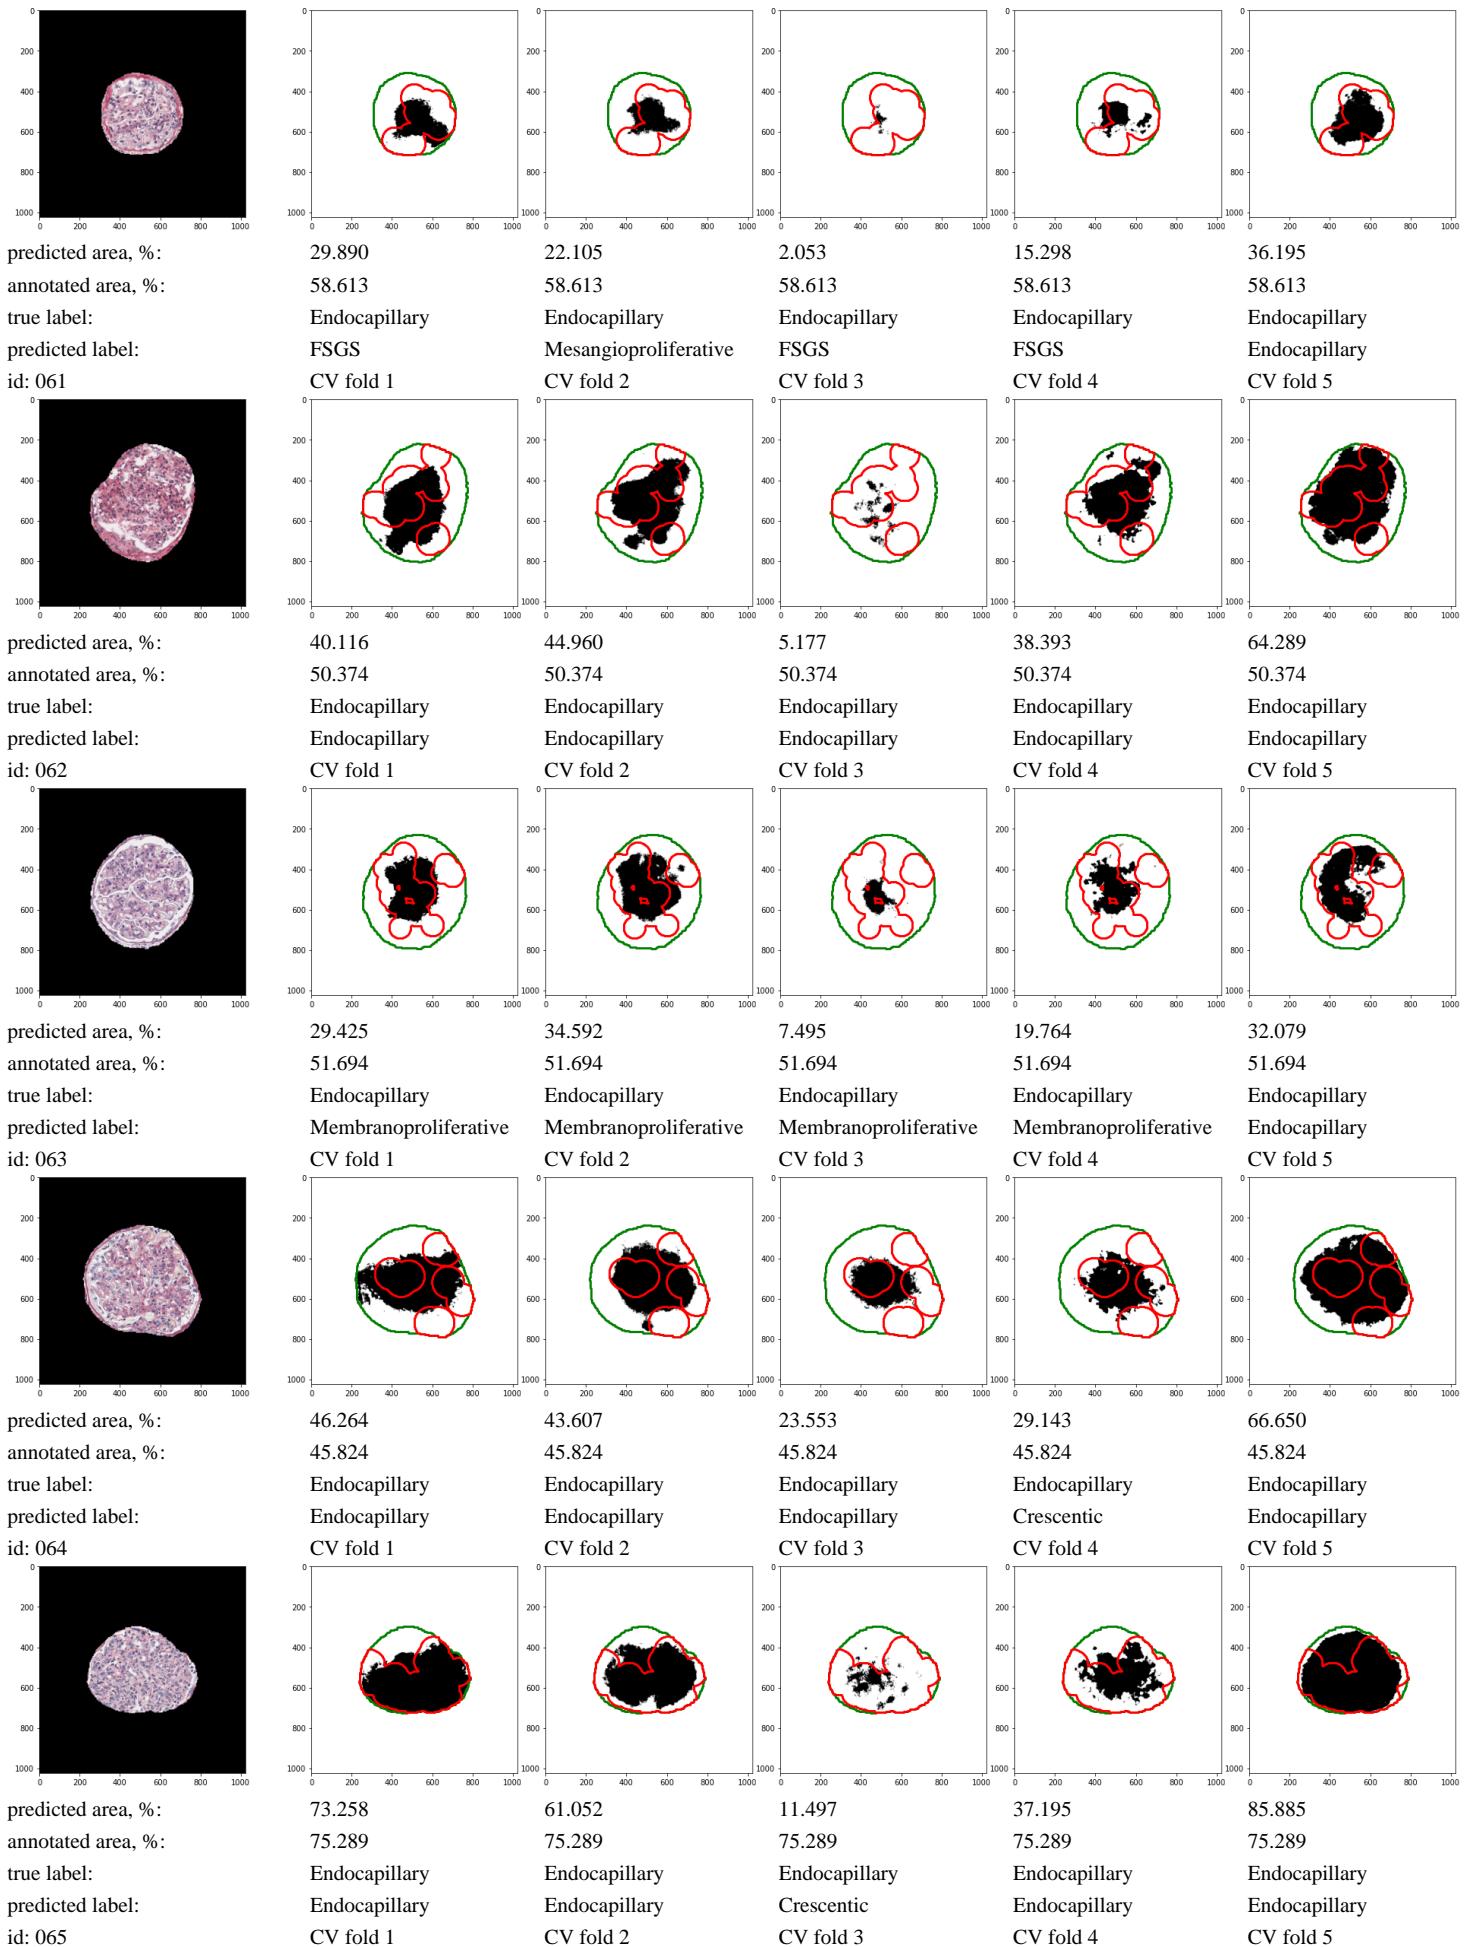

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

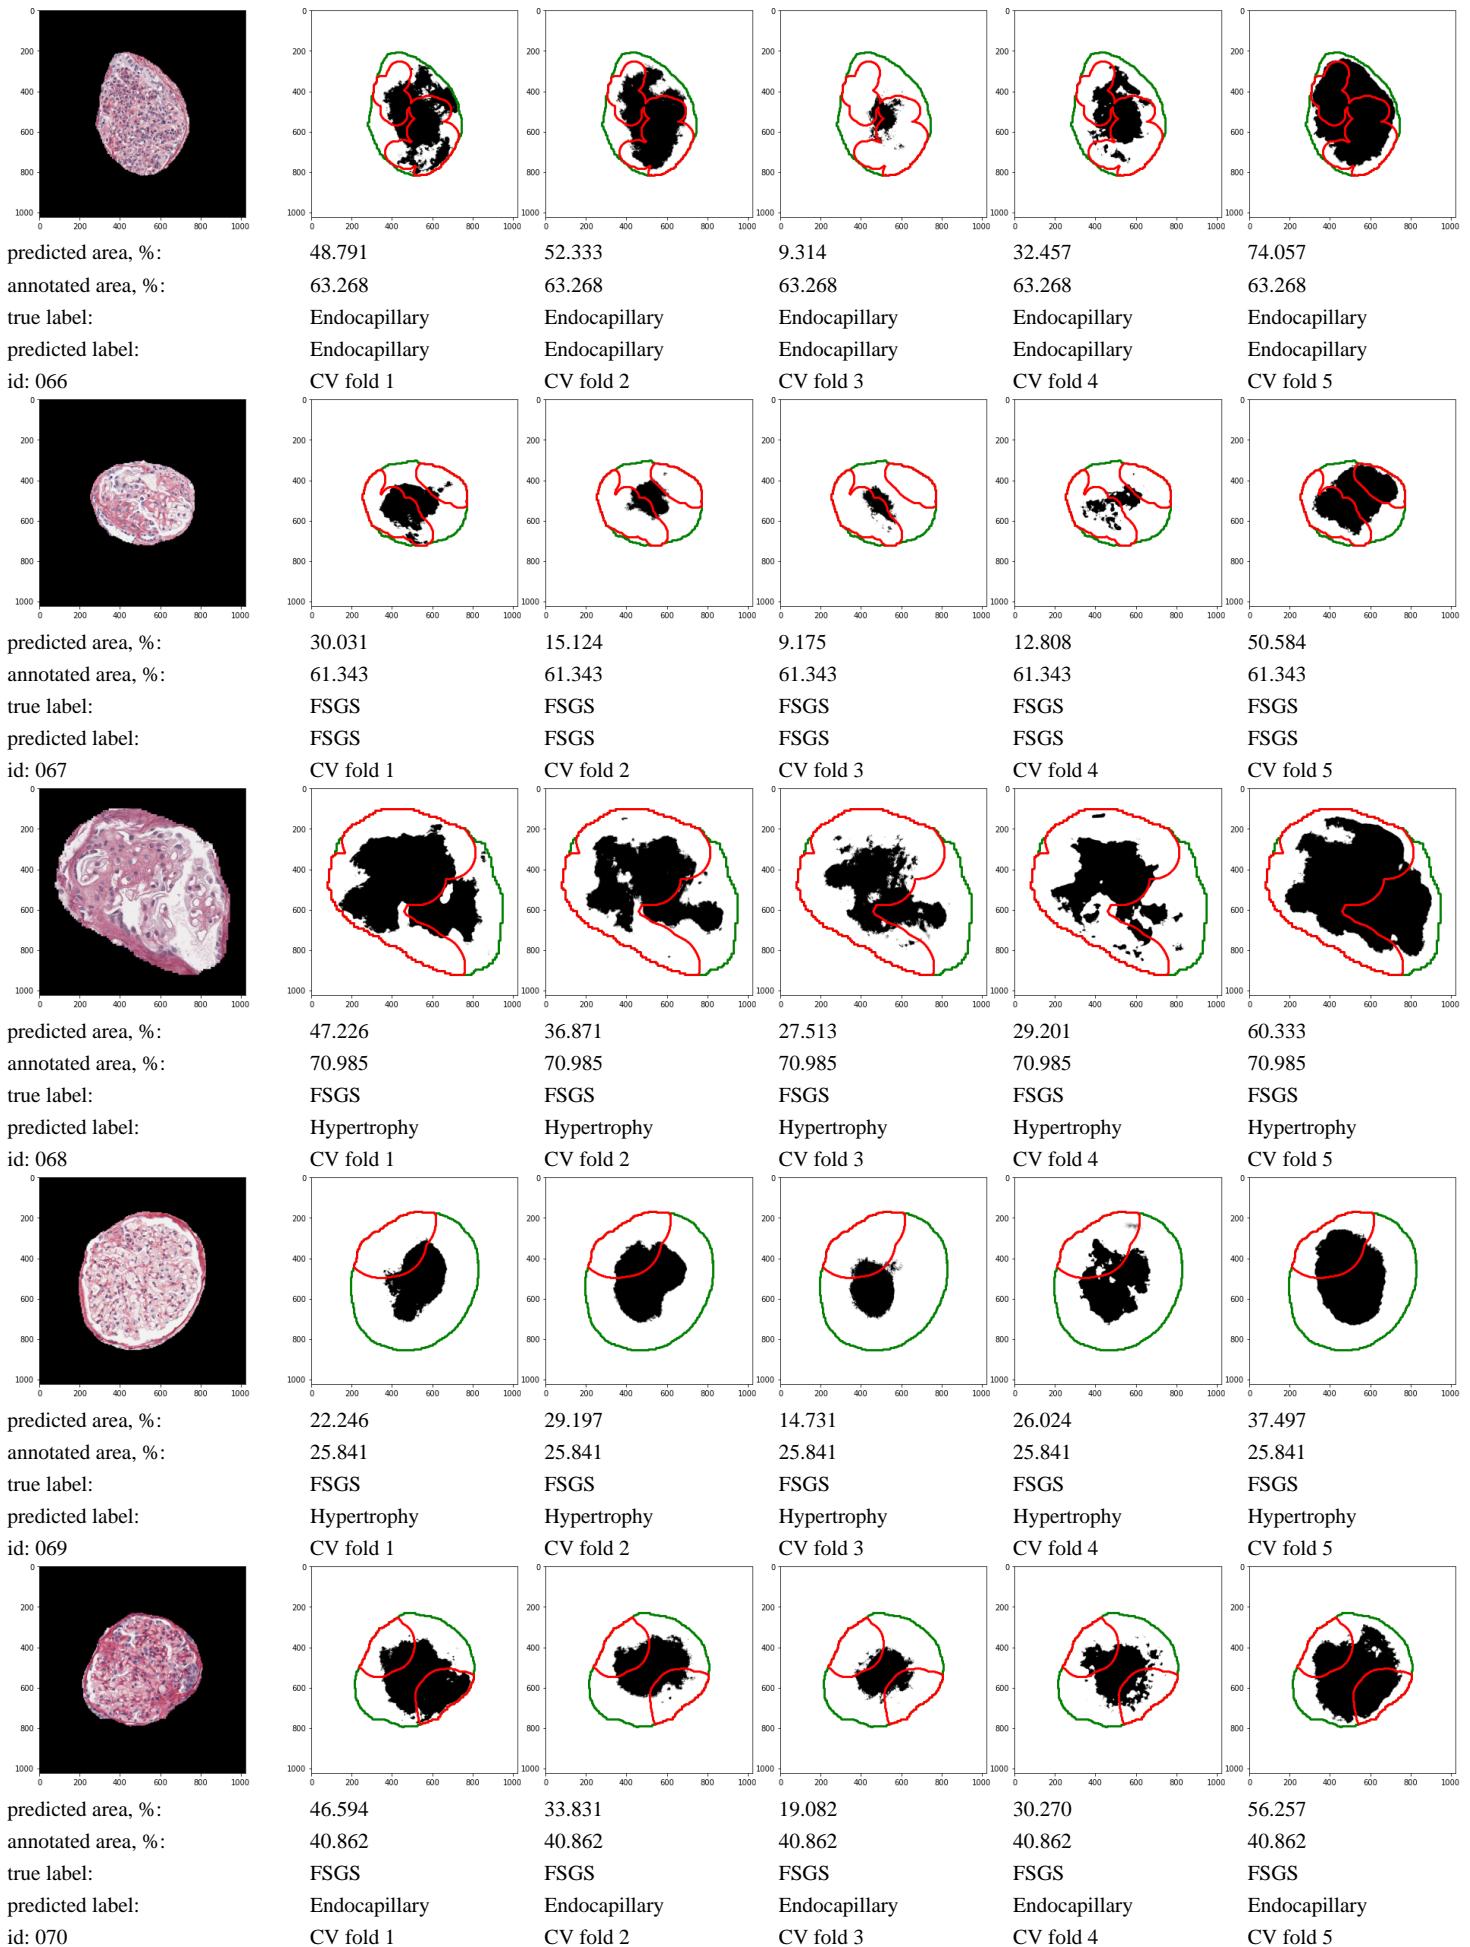

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

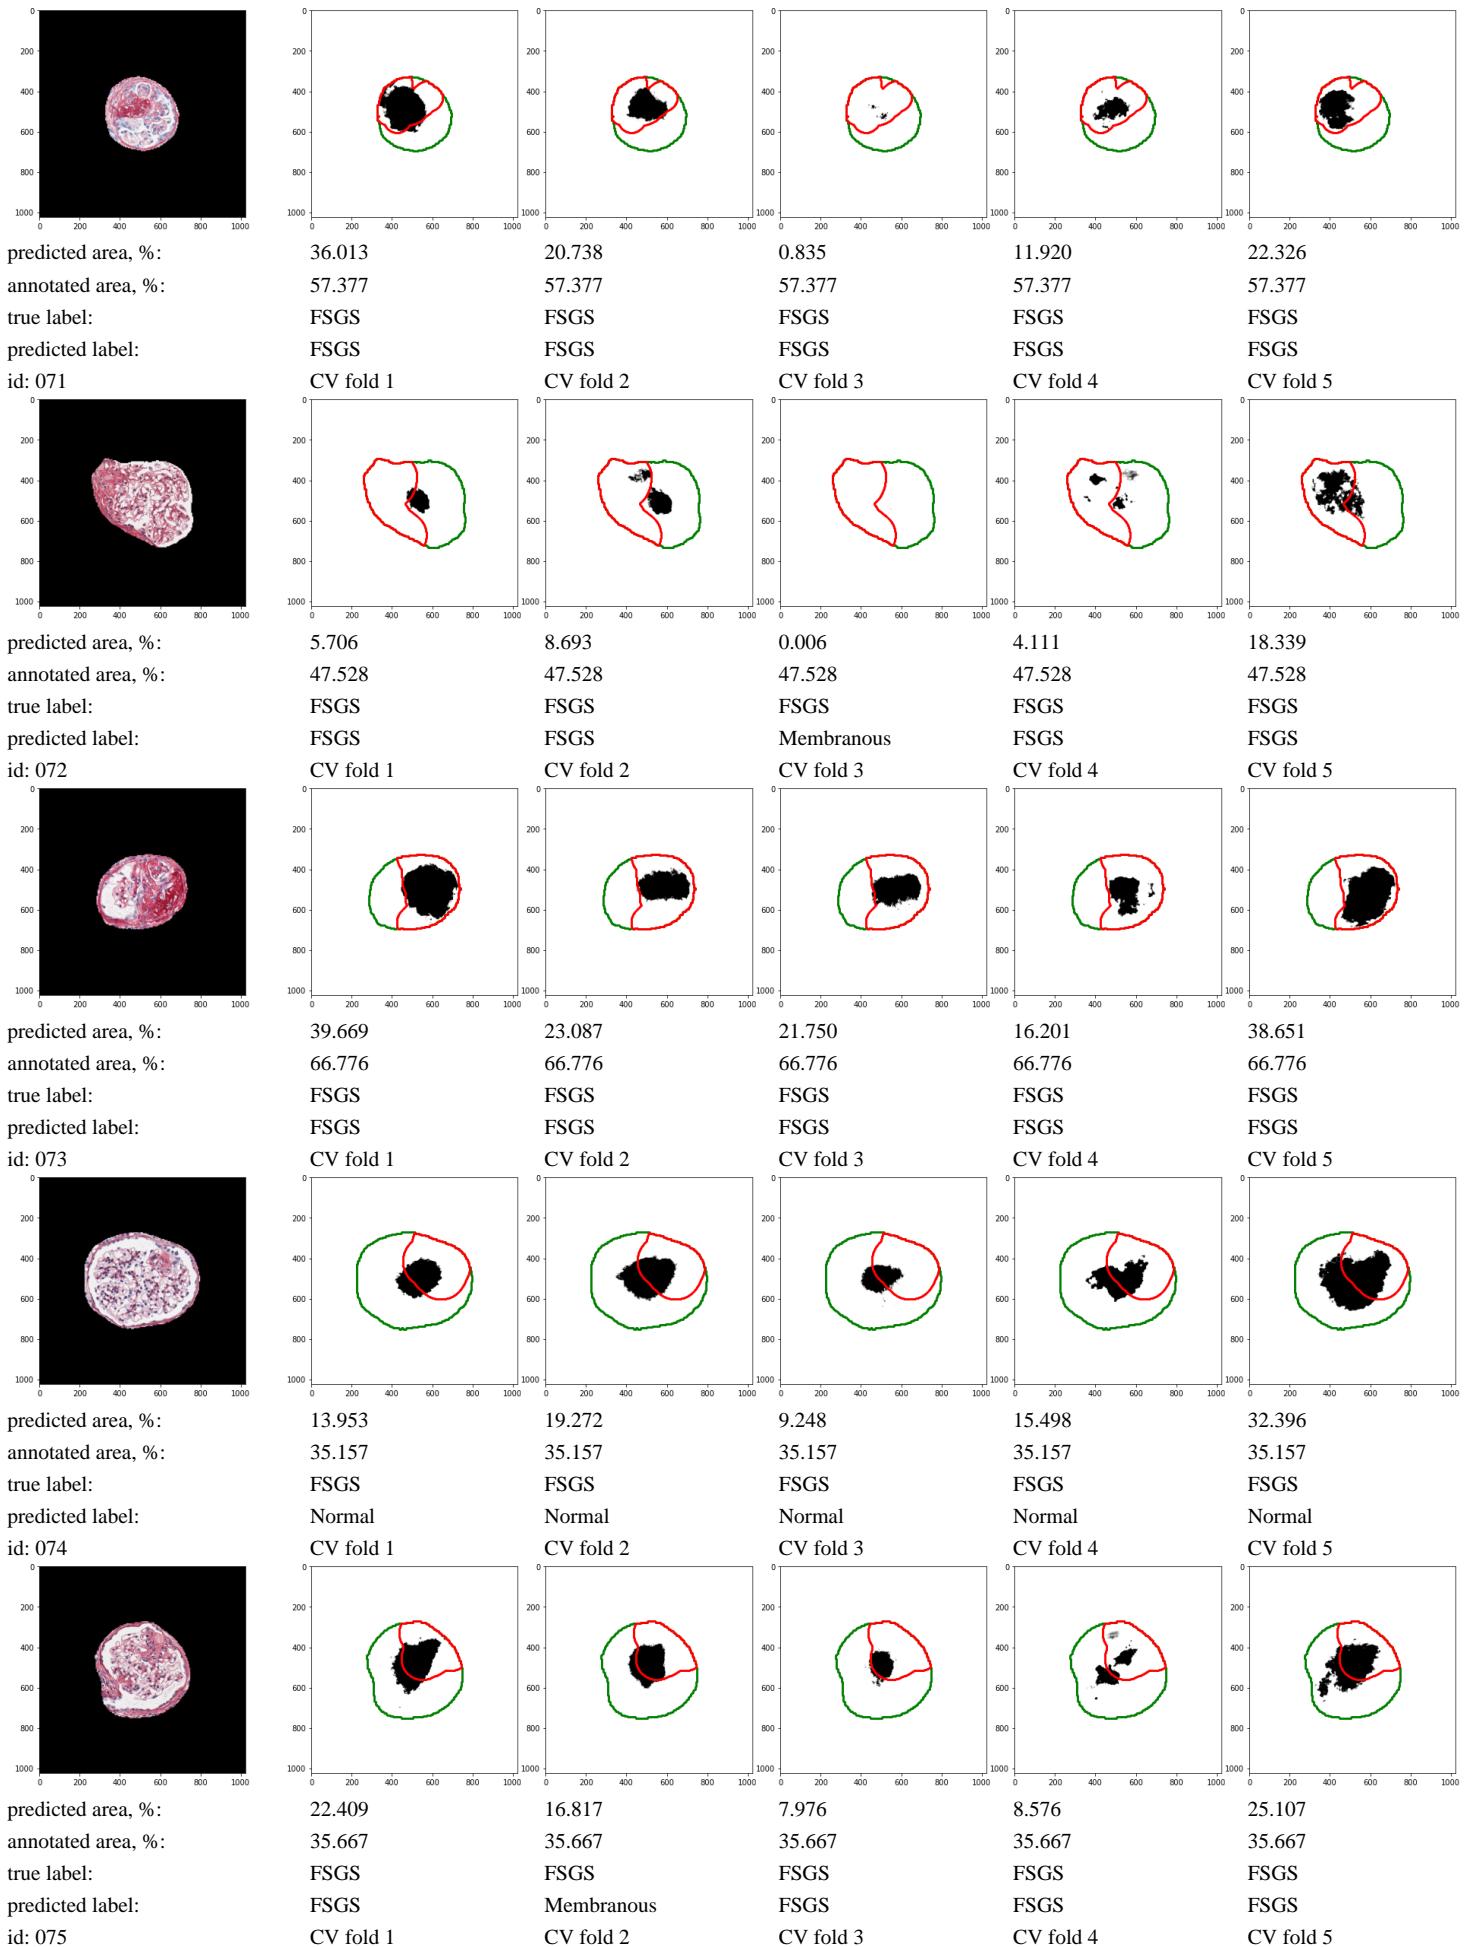

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.

Red contour: annotated area @ 0.5 threshold **Green contour:** total area **Black fill:** predicted area @ 0.5 threshold

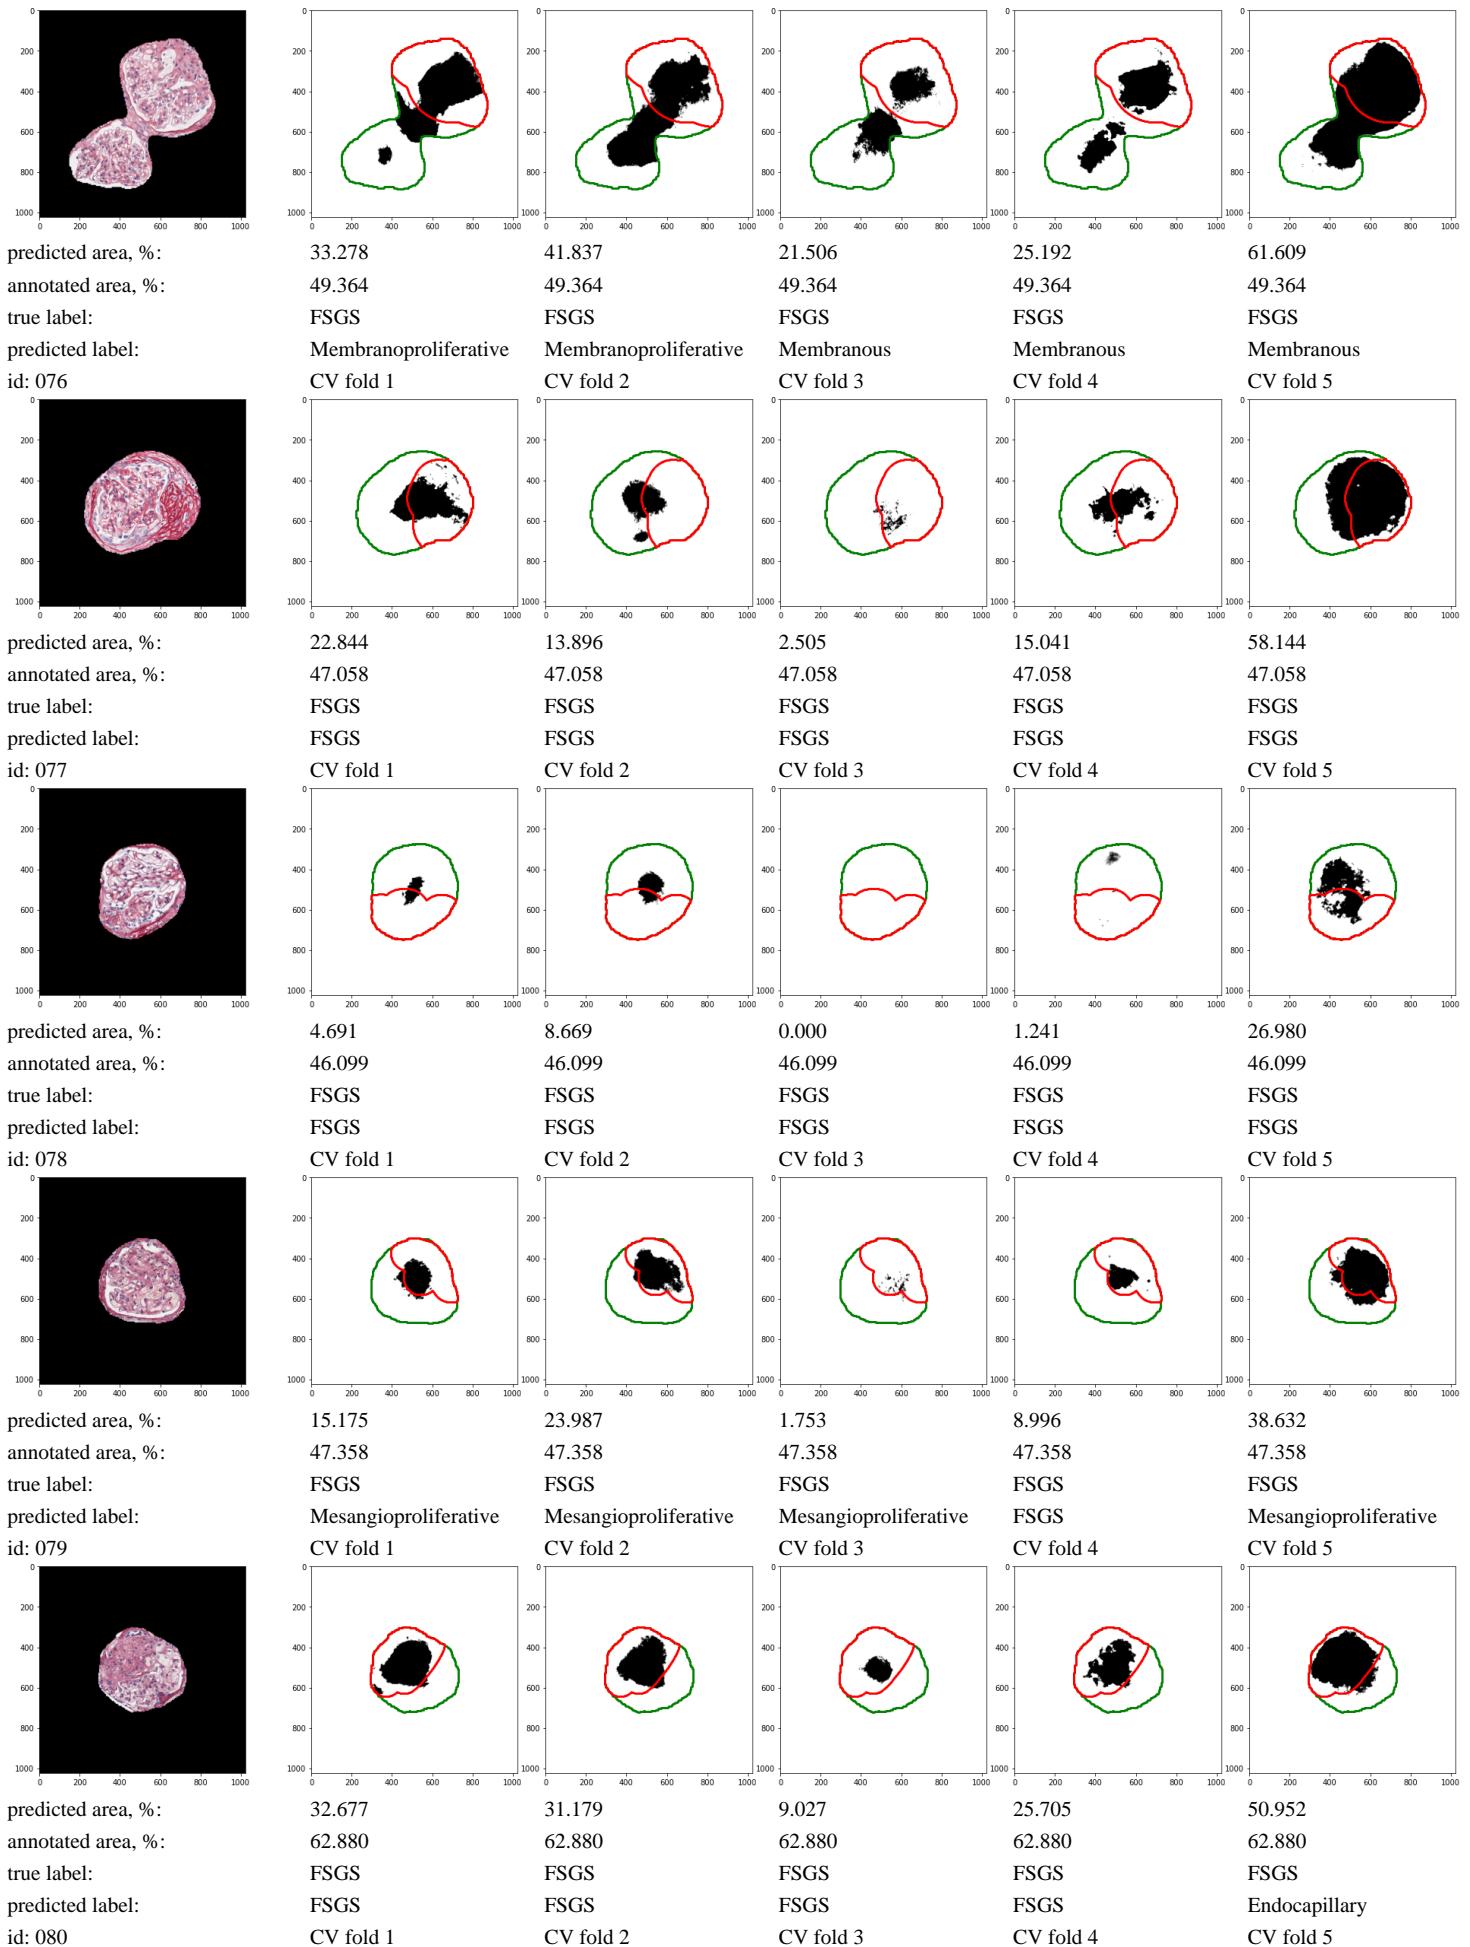

Supplementary Figure S2 (continued). Comparison of pattern quantification results per glomerular basis.
