Message from the Editor-in-Chief

The journal *Medicina*, has been issued since 1920, and is a peer-reviewed, monthly journal that mainly focuses on publishing reviews and clinical and experimental studies. *Medicina* publications cater to clinicians, diagnosticians and researchers, and serves as a forum to discuss the current status of health-related matters and their impact on a global and local scale. The journal aims to report advanced knowledge related to problems in medicine, disseminate research on global health, and promote and foster prevention and treatment of diseases worldwide. Please consider *Medicina* for your next publication of novel and innovative research.

Editor-in-Chief

Prof. Dr. Edgaras Stankevičius

Aims

Published since 1920, *Medicina* is a peer reviewed monthly scientific journal. The journal is owned by the Lithuanian University of Health Sciences (LUHS) and is published monthly online by MDPI. Partner Societies are the Lithuanian Medical Association, Vilnius University, Rīga Stradiņš University, the University of Latvia, and the University of Tartu.

The journal's main focus is on reviews as well as clinical and experimental investigations. The journal aims to advance knowledge related to problems in medicine in developing countries as well as developed economies, to disseminate research on global health, and to promote and foster prevention and treatment of diseases worldwide. *Medicina* publications cater to clinicians, diagnosticians and researchers, and serve as a forum to discuss the current status of health-related matters and their impact on a global and local scale.
