Proceedings Series

Overview of Proceedings Service

Publishing proceedings papers, editorials, conference reports, posters and any other output from the conference.

Performing professional copy-editing, language editing and XML conversion for all the accepted papers.

Comprehensive similarity checking and plagiarism detection for all articles to be published in a series.

Publishing the accepted papers in a dedicated volume using a Creative Commons CC BY 4.0 license (www.creativecommons.org/licenses/by/4.0/), meaning authors retain copyright and text can be reused with attribution.

A conference website on Sciforum and organizing the peer review of conference submissions for free.

Assigning and registering a digital object identifier (DOI) with Crossref for each published paper.

A full-fledged webpage dedicated to the conference, containing a table of contents, conference details, etc.

Promotion of the conference on the journal website, through newsletters and social media.

Registration of an ISBN for your proceedings publication, a hard copy of the conference book is available on request.

If you are organizing an academic conference and are interested in our services, please click the link to get a quotation: www.mdpi.com/about/proceedings/proceedings_submit_proposal.

Publications

Author Benefits

-  **Open Access** Unlimited and free access for readers
-  **No Copyright Constraints** Retain copyright of your work and free use of your article
-  **High Visibility** All published items will be assigned a digital object identifier (DOI) and are thus citable, available on mdpi.com, and they appear on search engines such as Google Scholar
