Message from the Editor-in-Chief

Birds is an international, peer-reviewed, open access journal focusing on wild birds, with an emphasis on bird ecology, communities, conservation, and behavioral ecology. The journal considers multidisciplinary papers related to birds. It is published quarterly online by MDPI.

Editor-in-Chief

Dr. Jukka Jokimäki

Aims

Birds (ISSN 2673-6004) is an international, peer-reviewed, and open access ornithological journal. It publishes original ornithological research articles, reviews, and communications that offer substantial new insight into any field of study that involves wild birds, with special emphasis on bird ecology, communities, conservation, and behavioral ecology. Multidisciplinary papers related to birds will be considered. There is no restriction on the maximum length of the papers. Our aim is to encourage scientists to publish their theoretical, basic, applied, and experimental research in *Birds*. Full study methods and/or experimental details must be provided for research articles so that the results can be reproduced.

Scope

- Bird ecology and biogeography
- Bird communities and populations
- Bird behavior
- Bird conservation
- Bird immunology, health, and diseases
- Bird systematics, taxonomy, and evolution
- Bird physiology and reproduction
- Bird migration
- Birds and people
- Birds and climate change
- Birds and land use
- Birds and environment relationships
- Multidisciplinary bird research

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Thorough Peer-Review

Discounts on Article Processing Charges (APC)

If you belong to an institute that participates with the MDPI Institutional Open Access Program

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

Rapid Publication

A first decision is provided to authors approximately 20 days after submission; acceptance to publication is undertaken in 6.3 days (median values for papers published in this journal in the second half of 2023)
