Mississippi State University,
Starkville, MS, USA

Dr. Gang Diao

School of Business, Lishui
University, Lishui, China

Deadline for manuscript
submissions:

31 October 2024

Message from the Guest Editors

Topics of interest include, but are not limited to, the following:

1. Theory and technology innovations in forest management and practices in classified forest management.

How to enhance forest management technology to improve forest quality?

Whether to implement classified forest management for natural and plantation forests.

2. Forest products supply security.

Supply and demand security and product quality issues in forest food and products.

3. Poverty governance and common prosperity.

Early warning of the return to poverty and rural poverty alleviation path exploration.

4. Ecological product development and value realization.

How to improve the involvement of forest carbon sinks in the carbon market?

How to formulate policies to promote the value realization of forest carbon sinks?

5. High-quality development of forestry sector.

Evaluation, influential factors and realization path of the high-quality development of the forestry sector.

Message from the Editorial Board

Forests (ISSN 1999-4907) is an international and cross-disciplinary, scholarly forestry journal. The distinguished editorial board and refereeing process ensures the highest degree of scientific rigor and review of all published articles. Original research articles and timely reviews are released online, with unlimited free access.

Our goal is to have *Forests* be recognized as one of the foremost publication outlets for high quality, leading edge research in this broad and diverse field. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global forestry community.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, GEOBASE, PubAg, AGRIS, PaperChem, and other databases.

Journal Rank: JCR - Q1 (*Forestry*) / CiteScore - Q1 (*Forestry*)
