an Open Access Journal by MDPI

*Proceedings* is a journal that publishes articles, abstracts and reports resulting from academic conferences. Published items are approved by the conference committee and original research content is peer reviewed. Conferences may be in any field.

## Journal Services

- Online publication of proceedings in a single volume of *Proceedings* journal
- Copy-editing services
- XML conversions services
- Printed copies, including abstract books
- Submission of conference proceedings to relevant indexing databases

## Examples of some proceedings we have published:

## Conference Organizer Benefits

- **Dedicated conference proceedings page** A page of the *Proceedings* website containing all conference abstracts and a description of the conference, along with links to the conference home page
- **Flexible** All kinds of outputs from the conference can be included in the proceedings, including the abstracts, proceedings, posters, etc
- **Open Access** Unlimited and free access for readers
- **Rapid publication**
- **High visibility** All published items will be assigned a digital object identifier (DOI) and citable
- **No space constraints, no extra color charges** No restriction on the maximum length of the papers, number of figures or colors
- **Attractive cover for the issue**
- **Sciforum support** Sciforum is a professional platform to host scientific conferences, and can be offered to you to host the conference website, and handle the peer-review, etc
- Promotion of the conference on the journal website, through newsletters and social media
