### **Index**

#### **A. Scheme of the thermal cis-trans isomerization of azobenzene by rotation**

#### **B. Chemical structures of the investigated molecules**

#### **C. 4-MeO-azobenzene in BMIM Tf<sub>2</sub>N**

Examples of UV-vis spectra in the temperature range 15-50°C before irradiation.

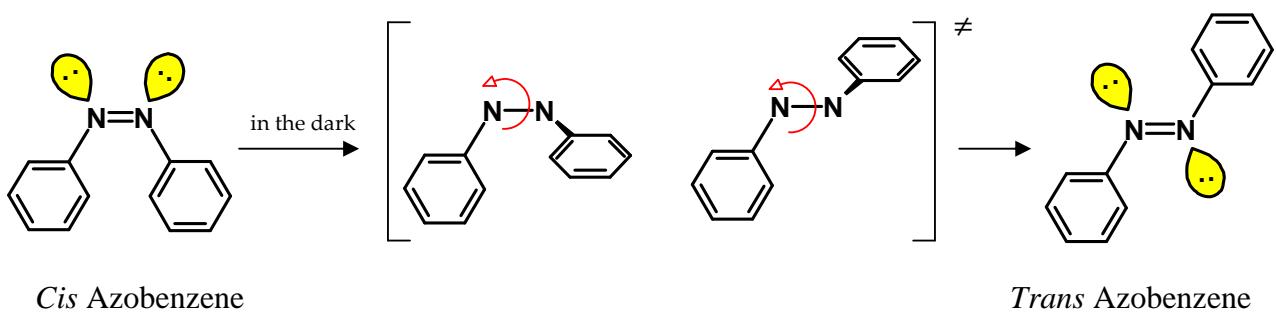

Examples of the absorbance changes after the irradiation during the time for each temperature.

#### **D. 4-MeO-azobenzene in BMIM PF<sub>6</sub>**

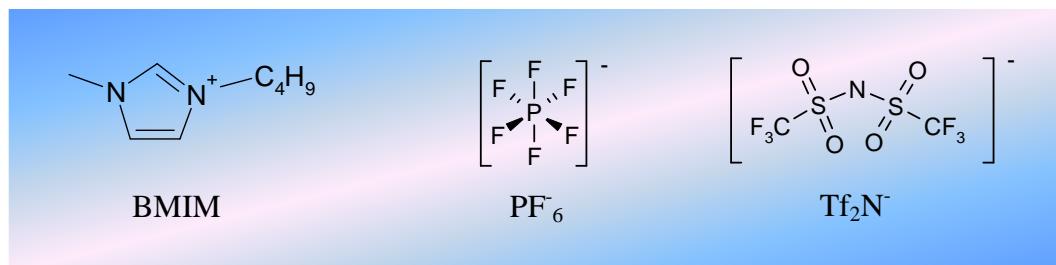

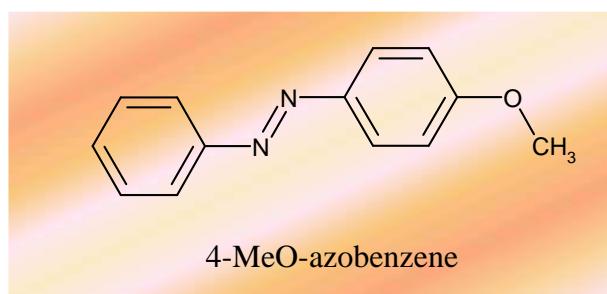

Examples of UV-vis spectra in the temperature range 15-50°C before irradiation.

Examples of the absorbance changes after the irradiation during the time for each temperature.

**A. Scheme of the thermal cis-trans isomerization of azobenzene by rotation**

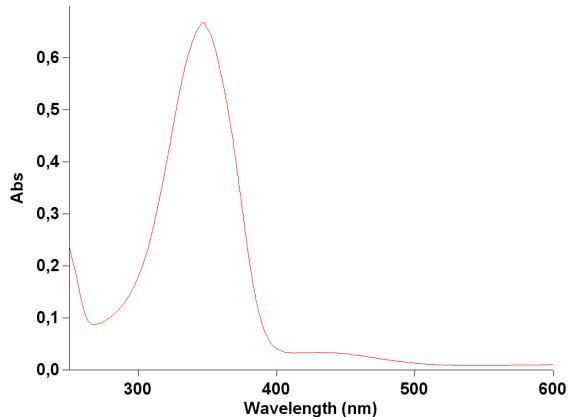

**B. Chemical structures of the investigated molecules**
