

Correction

In Figure 5, the label of the X-Axis should read “Time (year 0 =1818)” instead of “Time (year 0 = 1804)” .

Figure 5. Data for whaling in 19th century fitted by the model developed in the present study. In this case, the resource is whale oil, while a measure of the capital invested in production can be taken as proportional to the total tonnage of the whaling vessels. Data are from [26].
