

Table S1. Six steps to greening (from [73])

1. Identify and analyze existing greening successes
2. Build a grassroots movement for greening and mobilize partner organizations
3. Address policy and legal issues and improve the enabling conditions for greening
4. Develop and implement a communication strategy to systematically expand the use of all types of media
5. Develop or strengthen agroforestry value chains to enable farmers to capitalize on the role of the market in scaling up
6. Expand research activities to fill gaps in knowledge
