

Table S1. White-tailed deer (*Odocoileus virginianus* Zimmerman) harvested in the Upper Peninsula of Michigan from 2006-2015 (male and female; all seasons combined), as reported by the Michigan Department of Natural Resources (Frawley, 2006-2015). DMU, deer management unit; SD, standard deviation; SE, standard error.

Region	Number of DMUs	¹ Deer harvested km ⁻²	Minimu m	Maximu m	Median	SD	SE
This study	2	20.6	18.2	22.9	20.6	3.4	2.4
Rest of Upper Peninsula	20	11.2	2.5	36.3	7.0	10.4	2.3

¹Mean cumulative deer harvested km⁻² from 2006-2015.
