

The image shows the SketchUp logo on the left, which consists of a red 3D cube with a white 'S' shape cut out of it, and the word 'SketchUp' in a bold, sans-serif font below it. To the right is a 3D architectural rendering of a building complex. The main structure is a multi-story building with a brown roof and yellow walls, featuring several windows. It is surrounded by several purple rectangular blocks of varying sizes, representing other parts of the site or landscaping. A small inset window in the top right corner shows a list of items, likely a project browser or file explorer, with a tree structure.
