

6706 kn Hollandseweg 1 Wageningen | The Netherlands

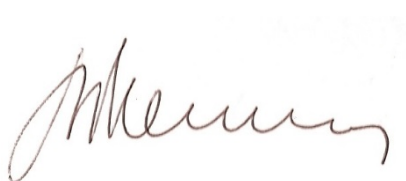

To whom it may concern

The following project proposal has been reviewed by the Social Sciences Ethics Committee (SEC):

Title: Socio-Ecological game experiment with farmers on Banana
Xanthomonas Wilt disease management
Project team: Mariette McCampbell, Julisse Galarza Villamar
Funding: CGIAR RTB programme flagship 5.4
Period: March-April 2020
Location: Rwanda

The Committee has concluded that the proposal deals with ethical issues in a satisfactory way and that it complies with the Netherlands Code of Conduct for Research Integrity.

With kind regards,

Professor Dr Marcel Verweij
Chair Social Sciences Ethics Committee
