

Figure S1 shows a screenshot of an example search in Publish or Perish, where the search strings were used to identify any potentially relevant literature that contained title words present in the search criteria.

The screenshot displays the Publish or Perish software interface. At the top, a table shows search terms and their associated metrics:

Search terms	Source	Papers	Cites	Cites/y...	h	g	h,no...	h,ann...	hA	acc...	Search date	Cache date	Las...
✓ water sanitation space [title]	Web of Sci...	3	20	1.33	3	3	2	0.13	1	0	30/08/2021	30/08/2021	0

Below this, the 'Web of Science search' section shows search criteria:

- Authors: [] Years: 0 - 0
- Affiliations: []
- Full journal name: [] ISSN: []
- Title words: water sanitation space
- Keywords: []

The 'Results' section displays a table of search results:
