Text Correction

There was an error in the original publication [1] in the Formula (6).
The letter "*x*" should be changed to the letter "*p*".
The correct Formula (6) that should be in the text is:

$$q\left(MV_{unit.}^{-}\right) + q(RC_{unit.}) + p(RC_{unit.}) = (q + p) * \left(MV_{unit.}^{+}\right)$$

The incorrect formula that is currently in the text is:

$$q\left(MV_{unit.}^{-}\right) + q(RC_{unit.}) + x(RC_{unit.}) = (q + p) * \left(MV_{unit.}^{+}\right)$$

This correction has no consequences, and the scientific conclusions are unaffected.
