We wish to make the following correction to the published paper [1]. The conference in the title note is incorrect. It should read:

† This paper is an extended version of our paper published in the Proceedings of the International Conference on Digital Audio Effects (DAFx), Erlangen, Germany, 1–5 September 2014.

The error was introduced during production and is not the fault of the authors. We apologize for any inconvenience caused to the readers and authors by this change.
