Acknowledgement to Reviewers of *Applied Sciences* and Announcement of the 2017 Outstanding Reviewer Awards Winners

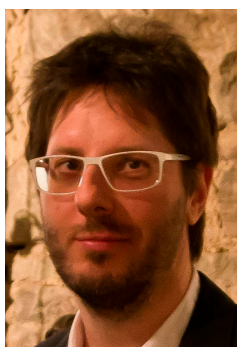

Applied Sciences Editorial Office

MDPI AG, St. Alban-Anlage 66, 4052 Basel, Switzerland

Published: 18 January 2018

Peer review is an essential part in the publication process, ensuring that *Applied Sciences* maintains high quality standards for its published papers. In 2017, a total of 1314 papers were published in the journal. Thanks to the cooperation of our reviewers, the median time to first decision was 19 days and the median time to publication was 48 days.

The following referees have been selected by the Editor-in-Chief of *Applied Sciences*, Prof. Dr. Takayoshi Kobayashi, to receive “*Applied Sciences* 2017 Outstanding Reviewer Awards” for the quantity, timeliness and quality of their reviews in 2017. Each of them will receive 500 CHF and a certificate for their outstanding work. (in alphabetical order by surname):
