We, the authors, wish to make the following corrections to our paper [1]. We found that the first author's name of the 'Reference [27]' [2] had been omitted in our paper. The statement should be changed to:

27   Charles, A.; Balavoine, A.; Rozell, C. Dynamic filtering of time-varying sparse signals via l1 minimization. *IEEE Trans. Signal Process.* **2016**, *64*, 5644–5656.

The authors would like to apologize for any inconvenience caused. The change does not affect the scientific conclusions. The manuscript will be updated, and the original will remain online on the article webpage.
