

Table S1: Supplementary materials-survey questions.

Survey questionnaire - Communication channels and information retrieval groups

15. Information for the field of teaching activity can be found through:

	Never	Rare (<10%)	Sometimes, irregularly (about 30%)	Occasionally (about 50%)	Often (about 70%)	Mostly (about 90%)	Always
Talking to colleagues (directly and indirectly)							
Informal groups within and outside the polytechnic							
Formal groups of polytechnics (decision on composition)							
Polytechnic Internet							
Polytechnic intranet							
Cloud (e.g. Office365)							
LMS							
Social networks							
Databases / Libraries							

16. Information for the purposes of the field of scientific activity can be found through:

	Never	Rare (<10%)	Sometimes, irregularly (about 30%)	Occasionally (about 50%)	Often (about 70%)	Mostly (about 90%)	Always
Talking to colleagues (directly and indirectly)							
Informal groups within and outside the polytechnic							
Formal groups of polytechnics (decision on composition)							
Polytechnic Internet							
Polytechnic intranet							
Cloud (e.g. Office365)							
LMS							
Social networks							
Databases / Libraries							

17. I collect information on the polytechnic's processes, decisions, rules, and reports through:

	Never	Rare (<10%)	Sometimes, irregularly (about 30%)	Occasionally (about 50%)	Often (about 70%)	Mostly (about 90%)	Always
Talking to colleagues (directly and indirectly)							
Informal groups within and outside the polytechnic							
Formal groups of polytechnics (decision on composition)							
Polytechnic Internet							
Polytechnic intranet							
Cloud (e.g. Office365)							
LMS							
Social networks							
email							

18. I share or pass on my official information to my colleagues within the polytechnic through:

	Never	Rare (<10%)	Sometimes, irregularly (about 30%)	Occasionally (about 50%)	Often (about 70%)	Mostly (about 90%)	Always
Talking to colleagues (directly and indirectly)							
Informal groups within and outside the polytechnic							
Formal groups of polytechnics (decision on composition)							
Polytechnic Internet							
Polytechnic intranet							
Cloud (e.g. Office365)							
LMS							
Social networks							
email
