The authors requested the following corrections to their paper [1].

On page 19 in the results section, “20 were classified as containing specific data and 30 were classified as cited in passing” was replaced with “18 were classified as containing specific data and 32 were classified as cited in passing”.

“Reference 12” was translated incorrectly and has been amended:

Yin, Z.; Deng, C.; Cao, Y.; Chen, Y. Comparison of the effects of omega-3 fish oil fat emulsion and medium/long chain fat emulsion injection on bleomycin-induced pulmonary fibrosis in rats. *Chin. J. Clin. Nutr.* **2011**, *19*, 400–403.

These changes have no impact on the conclusions of the paper. The authors apologize for any inconvenience caused to the readers by these corrections.

Conflicts of Interest: The authors declare no conflict of interest.
