

Prediction of unknown sample

Blind test sample No.1  
(The example of the prediction pie chart  
in the manuscript)

Prediction of unknown sample

Blind test sample No.2

Prediction of unknown sample

Blind test sample No.3

- Infected
- Normal
- Out the cell

Prediction of unknown sample

Blind test sample No.4

- Infected
- Normal
- Out the cell

Prediction of unknown sample

Blind test sample No.5

- Normal
- Infected
- Out the cell

Prediction of unknown sample

Blind test sample No.6

- Normal
- Infected
- Out the cell

Prediction of unknown sample

Blind test sample No.7

Prediction of unknown sample

Blind test sample No.8
