

QUESTIONNAIRE CONEXP019FLGM

No. participant		
Group code	CON019	EXP019
Date		

Gradation (Likert scale)			
1	2	3	4
None	Few	Enough	Completely

Block I: Socio-educational				
Variable	No.	Item	Choice	<input checked="" type="checkbox"/>
Gender	1	Gender	Boy	
			Girl	
Age	2	Age	
City	3	City	
Nationality	4	Nationality	
Religion	5	Religion	Christian	
			Muslim	
			Jew	
			Hinduist	
			Atheist	
			Other	
Course	6	What is your academic year currently?	
	7	Have you ever repeated a course?	Yes	
			No	
Learning difficulty	8	Do you have any learning difficulties?	
Flipped and Gamification use	9	Number of teachers throughout your educational stage who have used traditional methodology	0 – 1	
			2 – 3	
			4 or more	
	10	Number of teachers throughout your educational stage who have employed flipped learning	0 – 1	
			2 – 3	
			4 or more	
	11	Number of teachers throughout your educational stage who have used gamification	0 – 1	
			2 – 3	
			4 or more	
Ratings	12	What is your average grade in general?	0-4.9	
			5-5.9	
			6-8.9	
			9-10	
	13	What is your general average in Language and Literature subject?	0-4.9	
			5-5.9	
			6-8.9	
			9-10	
	14	What has been the grade you have obtained in Language and Literature subject after the development of the experience?	0-4.9	
			5-5.9	
			6-8.9	
			9-10	

Block II: Availability and Resources							
Variable	No.	Item	Gradation				
			1	2	3	4	
Availability	15	Do you consider that your center is equipped with enough technological material to carry out innovative methodologies?					
	16	What is the degree of preparation of your teachers to use educational technologies in the classroom?					
	17	What is your degree of preparation to use educational technologies in the classroom?					
Innovative and ICT resources	18	How often do you use classroom blogs in the educational context?					
	19	How often do you use social networks in the general educational field?					
	20	How often do you use programs to create didactic videos in general?					
	21	How often do you use programs to create didactic podcast in general?					
	22	How often do you use scoring systems, levels and rewards in your learning?					
	23	How often do you use Learning Management Systems in the educational context?					
	24	How often do you use video games or board games in the educational context?					

Block III: Methodological factor							
Variable	No.	Item	Gradation				
			1	2	3	4	
Motivation	25	How does the methodology you normally receive in the subject of Language and Literature contribute to your motivation?					
	26	How much has the methodology of this experience contributed to your motivation?					
Cooperation	27	How does the methodology you normally receive in the subject of Language and Literature contribute to cooperation during learning activities?					
	28	How much has the methodology of this experience contributed to cooperation during learning activities?					
Autonomy	29	How does the methodology you normally receive in the subject of Language and Literature contribute to the promotion of autonomy?					
	30	How much has the methodology of this experience contributed to the promotion of autonomy?					
Problem Solving	31	How does the methodology you normally receive in the subject of Language and Literature contribute to solving problems?					
	32	How much has the methodology of this experience contributed to solving problems?					
Interaction Teacher	33	How does the methodology you normally receive in the subject of Language and Literature contribute to interaction with your teachers?					
	34	How much has the methodology of this experience contributed to interaction with your teachers?					
Interaction Classmates	35	How does the methodology you normally receive in the subject of Language and Literature contribute to interaction with your classmates?					
	36	How much has the methodology of this experience contributed to interaction with your classmates?					
Interaction Contents	37	How does the methodology you normally receive in the subject of Language and Literature contribute to access, use and manageability of learning content?					
	38	How much has the methodology of this experience contributed to access, use and manageability of learning content?					
Class Time	39	How does the methodology you normally receive in the subject of Language and Literature contribute to the use of class time?					
	40	How much has the methodology of this experience contributed to the use of class time?					
Linguistic Competence	41	How does the methodology you normally receive in the subject of Language and Literature contribute to improve Linguistic Competence?					
	42	How much has the methodology of this experience contributed to improve Linguistic Competence?
