LIST OF COMMENTS/MODIFICATIONS

- 1) We have removed the dagger symbols next to the authors' names and the phrase "These authors contributed equally to this work".
- 2) We have updated the authors' affiliations. We have included the name of the university and the address.
- 3) We accept the correction in page 2.
- 4) We have added the FEA software description in page 3 as suggested.
- 5) We accept the correction in section 2.3 (page 7).
- 6) We consider that further explanation in the title of table 1 is not required.
- 7) We accept the correction in reference 29 in page 21.
