Rigorous peer reviews are the basis of high-quality academic publishing. Thanks to the great efforts of our reviewers, the *Journal of Nanotheranostics* was able to maintain its standards for the high quality of its published papers. Due to the contributions of our reviewers, in 2021 the median time to a first decision was **21** days and the median time to publication was **42** days. The Editors would like to extend their gratitude and recognition to the following reviewers for their precious time and dedication, regardless of whether the papers they reviewed were finally published:

Aleksander Bilewicz
Anastasiya Solovieva
Andreas Tsakalof
Cesar Santana-Gomez
Chen Xing
