

The Evolutionary Path of Performance Measurement and Management in Light of Global Challenges

Guest Editors:

Dr. Alberto Sardi

Dr. Enrico Sorano

Dr. Guido Giovando

Dr. Vania Tradori

Dr. Christian Rainero

Message from the Guest Editors

The overall objective of this call for papers is to improve the current knowledge and identify the current evolutionary path of performance measurement and management. To achieve this goal, we are asking for theoretical and practical contributions on performance measurement and management in order to support the literature and the public, private, and not-for-profit sectors.
