Message from the Guest Editor

Dear Colleagues,

For this Special Issue, we invite papers with disciplinary roots in organization and management studies, public administration, business ethics, organizational psychology and sociology, criminology, and related disciplines. We particularly invite multi- and interdisciplinary work. Both theoretical and empirical papers, and both quantitative and qualitative research are welcome, with a particular but not exclusive interest in organizational ethnography. We aim for a wide international authorship with a global reach.

Prof. Dr. Judith van Erp
Guest Editor
