

Dear Colleagues,

An exciting new initiative launched this year by *Agronomy* is the establishment of the first *Agronomy* Outstanding Reviewer Award. It is given to gratefully acknowledge the time and energy given by reviewers in checking manuscripts submitted to *Agronomy* in 2017. It is due to their efforts that the high quality of the journal and quick turnaround is maintained.

The recipient was chosen by the *Agronomy* Editorial Team, Professor Michael J. Emes, who will receive a certificate, 500 CHF and an offer to publish one paper free of charge in *Agronomy* in 2019, after the normal peer-review procedure. The *Agronomy* Editorial Team is deeply grateful to all the reviewers for the time, energy and devotion that they have given to peer-reviews.

It is our great pleasure to announce the winner:

Professor Michael J. Emes, University of Guelph, Guelph, Canada.
