Deadline for manuscript
submissions:

30 December 2024

Message from the Guest Editors

Dear Colleagues,

This Special Issue contains extended papers from the *7th International Conference on Optics, Photonics and Lasers (OPAL 2024)*, 15–17 May 2024, Palma de Mallorca (Balearic Islands), Spain (<https://opal-conference.com>). The event will cover optics, photonics and lasers and provide an excellent opportunity to exchange ideas and present the latest advancements in these areas.

The purpose of this conference is bring together leading international researchers, engineers and practitioners in optical-related technologies.

OPAL 2024 will be organized by the IFSA, a professional, non-profit association that has served the industry and academy since 1999.

Dr. Aleksej Rodin

da Vinci 32, 20133 Milano, Italy

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Engineering, Multidisciplinary*) / CiteScore - Q1 (*General Engineering*)
