Message from the Collection Editor

Dear Colleagues,

This Topical Collection, “Feature Papers in Biochemistry”, aims to collect high-quality research articles, review articles, and communications on all aspects of biochemistry. It is dedicated to recent advances in the research area of biochemistry, and comprises a selection of exclusive papers from the Editorial Board Members (EBMs) of the Biochemistry Section, as well as invited papers from relevant experts. We also welcome senior experts in the field to make contributions to this Topical Collection. Kindly note that all invited papers will be published online free of charge once accepted. We aim to represent our Section as an attractive open-access publishing platform for biochemistry research.

Message from the Editorial Board

Biomolecules is a multidisciplinary open-access journal that reports on all aspects of research related to biogenic substances, from small molecules to complex polymers. We invite manuscripts of high scientific quality that pertain to the diverse aspects relevant to organic molecules, irrespective of the biological question or methodology. We aim for a competent, fair peer review and rapid publication. Please look at some of the exciting work that has been published in *Biomolecules* so far. We would be delighted to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Embase, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q1 (*Biochemistry & Molecular Biology*) / CiteScore - Q1 (*Biochemistry*)
