Message from the Guest Editors

Dear Colleagues,

This Special Issue aims to publish high-quality review papers in the research fields of dentistry. Manuscripts pertinent to basic (experimental), clinical, and epidemiological research questions will be published, following the successful fulfillment of the regular peer-review process, in case they fall within the journal's scope. All types of reviews will be considered as long as they meet the journal's standards. We encourage researchers from various fields to contribute review papers highlighting the latest developments in their research field or to invite relevant experts and colleagues to do so.

Feel free to contact the Managing Editor Ms. Adele Min (adele.min@mdpi.com) or our editorial office (dentistry@mdpi.com) if you have any requests.

We look forward to receiving your excellent work.
