Message from the Guest Editor

Dear Colleagues,

This Special Issue welcomes high-quality papers regarding human diseases and conditions. We encourage the submission of comprehensive reviews, systematic reviews and/or meta-analyses that include the most recent research results and findings. We consider this Special Issue to be the best forum to disseminate important research findings and share innovative ideas in the field.

We hope this topic is of interest to you and we invite you to submit a tentative title and short abstract to our Editorial Office for evaluation before submission. Please note that selected papers are still subject to thorough peer review.

Message from the Editor-in-Chief

Diseases is an international, peer-reviewed, open access, multidisciplinary journal that focuses on the latest outstanding research concerning diseases and conditions. Research articles, reviews, and other contents are released on the Internet immediately after acceptance. This journal aims to cover international conferences and symposia as new targets.

Diseases is increasingly gaining acceptance and visibility within scholars, and after only a few years of life, *Diseases* is now also covering specific topics with dedicated special issues. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High visibility: indexed within Scopus, ESCI (Web of Science), PubMed, PMC, CAPlus / SciFinder, and other databases.

Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 18.8 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the second half of 2023).
