Message from the Guest Editors

Dear Colleagues,

Electronics was founded in 2011. We are proud and excited to celebrate the 10th anniversary of the journal. To mark the occasion, this Special Issue is being launched to invite contributions from Editorial Board Members, acknowledged reviewers, and outstanding authors. The aim is to celebrate this important anniversary of the journal with high-quality papers fully dedicated to recent efforts that contribute to innovative methodologies and/or technologies in systems and control engineering and their advanced applications. Academic editors, outstanding reviewers, and top authors will be invited to submit high-quality papers to the Special Issue.

Message from the Editor-in-Chief

Electronics is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guest-edited by leading experts in selected topics of interest.
