Dear Colleagues,

We are pleased to announce the *Energies* 2019 Travel Awards for postdoctoral fellows and PhD students. These awards will help support travel for one postdoctoral fellow and one PhD student to present their data, in poster or oral presentation formats, at a scientific conference in 2019. The nominations and applications will be assessed by an Evaluation Committee presided by the Editor-in-Chief, Prof. Dr. Enrico Sciubba.

Candidates' Requirements:

1. Postdoctoral Fellows (within three years of receiving their PhD) or PhD students undertaking *energies*' materials and technology research.
2. Will present their own, original work as a poster or an oral presentation at the conference in 2019 for which the travel award application is being submitted.

Required Application Documents:

1. Outline of current and future work (500 words).
2. Curriculum vitae, including a complete list of publications.
3. The conference to be attended, a copy of the abstract and acceptance letter or anticipated date of decision.
4. Current grant funding and travel budget, if any, and why the applicant wishes the support of *Energies*.
5. A letter of recommendation from the supervisor, research director, or department head.
