S. Konarskiego 22, Gliwice,
Poland

Dear Colleagues,

The 1st International Conference Contemporary Problemsof Thermal Engineering Energy (CPOTE) conference, held in 1998, was dedicated to the 50th Jubilee of Prof. Szargut's scientific activity. The 2nd conference (2004) was connected with the celebration of the centenary tradition of the Institute of Thermal Technology, reaching back to the Technical University of Lviv. The 3rd CPOTE conference (2012) was connected with the jubilee of Professor Andrzej Ziebig's 50 years academic activity. The 4th CPOTE conference (2016) was devoted to the topic Sustainable Energy Systems for our Common Future and it gathered over 100 participants from all around the globe. The 5th CPOTE conference (2018) is dedicated to the Memory of Professor Jan Szargut.

Eudossiana 18, 00184 Roma, Italy

Message from the Editor-in-Chief

Energies is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, RePEc, Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: CiteScore - Q1 (*Engineering (miscellaneous)*)
