Message from the Guest Editor

Dear Colleagues,

As Editor-in-Chief of *Eng*, I am pleased to announce this Special Issue, entitled "Feature Papers in Eng 2023". This Special Issue will be a collection of high-quality reviews and original papers from Editorial Board Members, Guest Editors, and leading researchers that discuss new knowledge or new cutting-edge developments in the field of engineering. The potential topics of this Special Issue include, but are not limited to, the following:

- Electrical, electronic, and information engineering;
- Chemical and materials engineering;
- Energy engineering;
- Mechanical and automotive engineering;
- Industrial and manufacturing engineering;
- Civil and structural engineering;
- Aerospace engineering;
- Biomedical engineering;
- Geotechnical engineering and engineering geology;
- Ocean and environmental engineering.

We very much look forward to your valued contributions to make this Special Issue a reference resource of essential knowledge for future researchers in the engineering field.
