

entropy

Dear Colleagues,

We are pleased to announce the *Entropy* 2019 Travel Award in **Information Theory** field to support postdoctoral fellows or PhD students to attend a conference of their choice in 2019. The nominations and applications will be assessed by an Evaluation Committee presided over by the Editor-in-Chief, Prof. Dr. Kevin H. Knuth.

The thematic areas for the other two Travel Awards are: Statistical Mechanics and Thermodynamics. Applicants should choose only one Travel Award to apply for. Applicants applying to more than one award will be disqualified from all awards.

2019 ENTROPY TRAVEL AWARD IN INFORMATION THEORY

Candidates' Requirements:

- Applicants must be postdoctoral fellows (up to 3 years) or PhD students involved in research fields related to Information Theory.
- Applicants will attend an international conference in 2019 and present their research (oral presentation or poster).

Applicants are required to submit the following documents:

- An abstract of their work that will be presented at the conference.
- Curriculum vitae, including educational background, an outline of current research work and a list of publications.
- A letter of recommendation from his/her supervisor or principal investigator (PI). The supervisor or PI should sign and confirm that the applicants fulfill all the requirements.
- The awardee will be asked to acknowledge the support from the journal *Entropy* during their presentation.

The award will consist of **800 Swiss Francs**.

Please apply online (<http://www.mdpi.com/journal/entropy/awards>) or send your applications to entropy@mdpi.com by **28 February 2019**. The winners will be announced by **31 March 2019**.
