Message from the Guest Editors

Dear Colleagues

This Special Issue of *Genealogy* invites essays on the topic, “Genealogy and Multiracial Family Histories.” Manuscripts may focus on families with spouses of different designated racial groups who may also have children who are understood to be multiracial as well as multigenerational mixed-race families that celebrate the multiraciality in their genealogy. The common denominator would be to explore how families with multiracial (or mixed-race) members (whether parents, siblings, or both/all) narrate their family histories (with a special focus on how they frame/reframe the salience of race and ethnicity in the process). The editorial team hopes to provide a wide spectrum with regard to discipline or sub-discipline and invites contributions that strengthen and broaden the framework for genealogy studies. Message from the Editorial Board

Genealogy is a scholarly journal that provides a venue for academic, cutting-edge contributions to the interdisciplinary field of genealogy studies. We welcome contributions that examine genealogies of family lineage, use genealogical considerations and methods in examining other historical processes (including migration histories, personal, social, and national identities, and social institutions) or study the construction of genealogical narratives. The journal is also interested in biographical studies and their contribution to the understanding of broader social and historical phenomena.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, ESCI (Web of Science), and many other databases.

Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 26.3 days after submission; acceptance to publication is undertaken in 4.7 days (median values for papers published in this journal in the first half of 2025).
