

geosciences

The *Geosciences* Editorial Board and Team would like to acknowledge the time and energy given by reviewers in checking manuscripts submitted to the journal. It is thanks to their efforts that the high quality of the journal and quick submission to publication process are maintained. In 2020, the median time to first decision was 15.5 days and the median time to publication was 43 days.

The Editor-in-Chief of *Geosciences*, Prof. Dr. Jesus Martinez-Frias, has selected one awardee, Dr. Luke A. McGuire, to receive the “*Geosciences* 2020 Outstanding Reviewer Award” for the quantity, timeliness, and quality of his reviews in 2020. He will receive 500 CHF and a certificate for his outstanding review work:

Dr. Luke A. McGuire

Department of Geosciences, University of Arizona, Tucson, AZ 85721, USA

2020 OUTSTANDING REVIEWER AWARD

WINNER

Geosciences (ISSN 2076-3263) is an international, peer-reviewed, open-access journal of geoscience, future Earth, and planetary science, published monthly online by MDPI, Switzerland. It has been covered by some important databases such as the Emerging Sources Citation Index (ESCI)—Web of Science (Clarivate Analytics), Scopus (CiteScore 2.1, Elsevier), GeoRef (American Geosciences Institute), AGORA (FAO), CAS—Chemical Abstracts (ACS), and DOAJ—Directory of Open Access Journals. Because it is an online journal, papers published in *Geosciences* receive very high publicity. For further details, please refer to: <http://www.mdpi.com/journal/geosciences>.
