Public Health and Therapies,
Birmingham City University,
Birmingham B15 3TN, UK

Dr. Roberto Nuño-Solinís

Deusto Business School Health,
University of Deusto, 48007
Bilbao, Spain

Message from the Guest Editors

Value-based healthcare (VBHC) has been proposed as a strategy to tackle these challenges. This Special Issue is dedicated to VBHC and seeks evaluative studies that demonstrate the benefits of this approach to transform healthcare delivery with improved outcomes for patients and better use of resources. Implementation research studies are also welcome.

Submitted manuscripts should be well-grounded in theory and need to persuasively demonstrate both practical relevance and substantial contributions to the scientific knowledge base.

Deadline for manuscript
submissions:

closed (31 March 2024)
