Message from the Guest Editors

We are organizing a Special Issue of the *International Journal of Environmental Research and Public Health* (*IJERPH*) for the publication of the Proceedings of the 2020 inVIVO Planetary Health Annual Conference (<https://www.invivoplanet.com/2020-meeting.html>). This virtual meeting will be held on 1–11 December 2020.

You are invited to submit papers presented at the 9th Annual Conference of inVIVO Planetary Health, for publication in *IJERPH* (Impact Factor 2.849). Participants of this conference, and inVIVO members, will receive a 20% discount on the Article Processing Charges.

We also welcome outside submissions that focus on understanding and improving the complex relationships between human health and planetary health.

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.
