### Message from the Guest Editor

Dear Colleagues,

Welcome to our Special Issue on Personalized Medicine in Children and Adolescent Psychology. In this clinical-focused Special Issue, we delve into cutting-edge research and practices at the intersection of medicine and psychology. Discover how tailored approaches in diagnosis and treatment are transforming pediatric mental health care, addressing individual needs, genetic factors, and environmental influences. Join us as we explore innovative strategies that ensure brighter futures for our young minds, advancing towards a more precise and compassionate era of children's mental health and well-being.
