Message from the Guest Editor

As Editor-in-Chief of the *Journal of Composites Science*, I am pleased to announce this Special Issue, entitled “Feature Papers in *Journal of Composites Science* in 2021”. This Special Issue will be a collection of articles from Editorial Board Members, Guest Editors, and Leading Researchers discussing new knowledge or new cutting-edge developments in the science of composites in 2021. Potential topics include but are not limited to the following items:

- Fiber-reinforced composites;
- Novel composites;
- Nanocomposites;
- Biomedical composites;
- Energy composites;
- Modeling, nondestructive evaluation;
- Processing and manufacturing, properties and performance;
- Repair, testing, nanotechnology;
- Physics, chemistry, and mechanics characterization of composites
