Message from the Guest Editors

Dear Colleagues,

We invite submissions for a Special Issue of the journal *Languages* titled "Current Issues in Vietnamese Linguistics", featuring selected papers from the annual ISVL (International Scholars of Vietnamese Linguistics) workshop, held since 2021 in various locations worldwide. The workshops were organized by different institutions, including Harvard, Yenching Institute (2021), Konan University, Vietnam National University Hanoi (2022 and 2023), and National Yang Ming Chiao Tung University (2024).

The ISVL workshop serves as a scholarly forum for global experts to explore the latest research on Vietnamese linguistics, which has evolved significantly over its four-year existence.
