

Lubricating Greases 2017

Guest Editors:

Message from the Guest Editors

Prof. Dr. José M. Franco

Chemical Product and Process
Technology Research Centre
(Pro2TecS-), Department of
Chemical Engineering, University
of Huelva, Campus de “El
Carmen”, 21071 Huelva, Spain

Prof. Dr. Erik Kuhn

TREC, Institute of Engineering
Design and Product
Development, Hamburg
University of Applied Sciences,
Berliner Tor 21, 20099 Hamburg,
Germany

- lubricating grease
- rheology
- tribology
- bearing
- thickeners
- additives
- biodegradable greases
- grease composition
- grease microstructure
- lubrication of bearings
- lubrication systems

Deadline for manuscript
submissions:

closed (30 June 2017)
