

Dear Colleagues,

We are pleased to announce the winners of the *Magnetochimistry* 2022 Best Paper Award. All papers published from 1 January 2020 to 31 December 2020 in *Magnetochimistry* were considered for the award. After a thorough evaluation of the originality and significance of the papers, citations, and downloads, the four winning papers, which were nominated by the Editor-in-Chief, Prof. Dr. Carlos J. Gómez García, were selected.

Each winner (corresponding author) will receive a prize of CHF 500, a certificate and a chance to publish a paper in *Magnetochimistry* in 2022.

On behalf of the assessment committee, I congratulate the winners on their accomplishments. We would like to take this opportunity to thank all the nominated research groups of the above exceptional papers for their contributions to *Magnetochimistry*, and thank the Award Committee for voting and helping with this award.

Prof. Dr. Carlos J. Gómez García
Editor-in-Chief, *Magnetochimistry*
