Data Visualization

Guest Editor:

Prof. Dr. Cristina Portales
Institute of Robotics and Information and Communication Technologies (IRTIC), Universitat de València, Av. de Blasco Ibáñez, 13, 46010 València, Spain

Deadline for manuscript submissions:
30 June 2024

Message from the Guest Editor

This Special Issue aims to provide a collection of high-quality research articles that address broad challenges in both theoretical and applied aspects of data visualization, including the exploration of novel interaction paradigms, such as augmented and extended realities. We also encourage the submission of applied work in any field of knowledge, as well as the consideration of interdisciplinary work.
