### Message from the Guest Editors

Dear Colleagues,

We are pleased to announce that, as is the tradition with previous renditions of the Electronic Conference on Medicinal Chemistry (ECMC), we are launching a Special Issue in *Pharmaceuticals* to collect the most exciting contributions from this eighth ECMC. The ECMC 2022 will be hosted on the online platform sciforum.net throughout the month of November. We have received a large number of outstanding contributions covering a wide variety of topics within the medicinal chemistry discipline. We invite authors to contribute a full article describing their original experimental results presented at the ECMC 2022.
